Desired Loving An Alpha Male:

Desired Too S. K. Lessly, 2015-11-23 Angel and Raquel possess two very strong personalities separately They are alphas to the core The problem comes when these two fire filled individuals come together One needs to be in control while the other refuses to be controlled Angel Leonetti the complete Alpha Male Let me first address this using you shit that you mentioned To be clear I asked you to be on the team for no other reason but that I trust you You were actually the only one I trusted in that meeting besides my father I don't know what's up with Victor I haven't a clue where the hostility he displayed stemmed from but best believe if he says anything to me again I won't hold back He has you to thank for him breathing without assistance right now Consider this his reprieve Angel moved closer to her as he continued And that ultimatum bullshit you just spat at me that's not an option I'm growing tired of repeating myself I've told you already that you are who and what I want I won't say it again Raquel Waters the uncontrollable Alpha Female No matter how she felt about him how much she wanted him she wasn't taking his controlling caveman ways lightly You are so full of shit You and I haven't seen or spoken to each other in three years three long years You know nothing about me and I don't know shit about you All I can say is that we know how to fuck each other's brains out with a skill that should be taught to the masses but that's it So what She moved closer to him I went away and grew up I have likes and dislikes that you have no clue exist So if you think I'm just going to sit here and let you claim me without me having something to say about it you're sadly mistaken Angel can't live without this woman He refuses to He's determined to have her no matter what Raquel equally has a need that only Angel can fulfill She wants him there's no doubt about that However she doesn't want to sacrifice who she is to get what she wants Will Angel be able to break down the walls of the woman he's desired since the moment they met Will Raquel be able to surrender her free will for the man that has managed to dominate her mind body and soul Can these two find a way to be together or will their fire consume them both

Human Chemistry (Volume One) Libb Thims, 2007-09-01 Human chemistry is the study of bond forming and bond breaking reactions between people and the structures they form People often speak of having either good or bad chemistry together whereby according to consensus the phenomenon of love is a chemical reaction The new science of human chemistry is the study of these reactions Historically human chemistry was founded with the 1809 publication of the classic novella *Elective Affinities* by German polymath Johann

von Goethe a chemical treatise on the origin of love Goethe based his human chemistry on Swedish chemist Torbern Bergman s 1775 chemistry textbook A Dissertation on Elective Attractions which itself was founded on Isaac Newton s 1687 supposition that the cause of chemical phenomena may all depend upon certain forces by which the particles of bodies by some causes hitherto unknown are either mutually impelled towards each other and cohere in regular figures or are repelled and recede from one another which thus defines life

Empty Pillows: Healing Matters of the Heart Michael Taylor,2022-06-20 Empty Pillows Healing Matters of the Heart Trilogy I Empty Pillows series is about Men and Women looking at the choices they make when it comes to relationships Empty Pillows is not about pointing fingers at one s love interest but rather looking at one s own decision making skills Empty Pillows focuses on why we allow bad people into our lives and blame them when the relationship goes bad Empty Pillows helps people to look strongly at themselves Readers have summed up Empty Pillows to be a therapeutic book a self help book an introspective book a thought provoking book a step bystep book not a man bashing or a woman bashing book Additionally Empty Pillows is about being the right individual for the right individual No man or woman can be the right one for the wrong person If he or she is wrong for you then you are wrong for them too

Obsession S. K. Lessly,2015-03-12 Her Darkness wants me I ve been surrounded by darkness since the day I was born It is all I ve ever known It consumes me it suffocates me and no matter how far I run darkness is always at my heel threatening to devour me My darkness is fear I never believed I could feel anything else until the moment he touched me He has given me hope He has allowed me to dream to want to desire more than I have ever thought possible He s my protection my safety my future I am his But darkness always has a way of creeping up and casting its shadow Will it consume me or will his love be strong enough to keep me in the light Him She s my obsession and I can t seem to get her off my mind It drives me crazy but I think about her constantly I want her No I need her I crave everything about her her touch her taste her smile her eyes and her innocence Just being close to her turns me on No woman has ever made me feel this way and I can t get enough I have to have her Her body her heart her mind and her desires belong to me No one can ever take what s mine and make no mistake she IS mine I know she has a past and I know she has secrets but no matter what comes our way I will fight for her Her secrets I can handle but with such uncertainty from her past will it finally catch up to her and destroy the new life she has built before I can save her
