Handbook of Urban Educational Leadership Muhammad Khalifa, Noelle Witherspoon Arnold, Azadeh F.

Osanloo, Cosette M. Grant, 2015-06-01 This authoritative handbook examines the community district and teacher leadership roles that affect urban schools. It will serve as a foundation for pedagogical and educational leadership practices that foster social justice equity and advocacy for those who have been traditionally and historically underserved in education. The handbook's ten sections cover topics as diverse as curriculum instruction and educational outcomes, gender, race, and class, higher education and leadership preparation and support. Its twenty-nine chapters offer both American and international perspectives.

Doing Cultural Theory David Walton, 2012-03-26 Will be a very useful tool for any student trying to make sense of the vast expanses of contemporary cultural theory and criticism. Well written and admirably self-reflective, it combines rigorous explications and applications of many of the most influential concepts and theorists. Lawrence Grossberg, University of North Carolina. Accessible and insightful throughout, offering help to both experienced and inexperienced students of cultural theory. Highly recommended. John Storey, University of Sunderland. Doing Cultural Theory teaches more than just the basics of cultural theory. It unpacks its complexities with real-life examples and shows readers how to link theory and practice. This book offers accessible introductions to how cultural studies has engaged with key theories in structuralism, poststructuralism, and postmodernism. Teaches straightforward ways of practising these theories so students learn to think for themselves. Uses practice boxes to show students how to apply cultural theory in the real world. Guides students through the literature with carefully selected further reading recommendations. Other textbooks only show how others have analyzed and interpreted the world. Doing Cultural Theory takes it a step further and teaches students step by step how to do cultural theory for themselves.

[Handbook of Methodological Approaches to Community-based Research](#) Leonard Jason, David Glenwick, 2016 The Handbook of Methodological Approaches to Community Based Research is intended to aid the community-oriented researcher in learning about and applying cutting-edge quantitative, qualitative, and mixed methods approaches.

Consumer Behavior Michael R. Solomon, 2009 For undergraduate and MBA courses in consumer behavior. Solomon goes beyond the discussion of why people buy things and explores how products, services, and consumption activities contribute to shape people's social experiences.
