Deviant Sexual Desires:

The Deviant's Pocket Guide to the Outlandish Sexual Desires Barely Contained in Your Subconscious Dennis DiClaudio, 2019-10-01 In tribute to the many splendors of human sexuality The Deviant's Pocket Guide to the Outlandish Sexual Desires Barely Contained in Your Subconscious profiles over 40 of the wildest and woolliest sexual proclivities you'll ever find even on the internet The human race is a species of inventors In our few millennia of existence we've created fire the wheel the printing press vaccines and the internet But never is our creativity more evident than when it comes time to reproduce For nature lovers there's Dendrophilia you know tree hugging For car people there's the Automotive Fetish And for those people who love stuffed animals you'll just have to look inside Each entry in this one of a kind encyclopedia explores the psychological underpinnings important logistics and typical fantasies associated with the deviance in question For the aspiring deviant there's even a list of useful accoutrements Hysterical and astonishingly thorough The Deviant's Pocket Guide is the only reference book you'll ever need *Sexual Deviance* D. Richard Laws, William T. O'Donohue, 2008-01-07 Now in a fully revised and updated second edition this important work provides authoritative scientific and applied perspectives on the full range of paraphilias and other sexual behavior problems For each major clinical syndrome a chapter on psychopathology and theory is followed by a chapter on assessment and treatment Challenges in working with sex offenders are considered in depth Thoroughly rewritten to reflect a decade of advances in the field the second edition features many new chapters and new authors New topics include an integrated etiological model sexual deviance across the lifespan Internet offenders multiple paraphilias neurobiological processes the clinician as expert witness and public health approaches Sapphic Love Sanina, 2014-10-05 Nevaeh Caldwell had almost everything she ever wanted a successful job her own home car friends and family that loved her and a handsome son that adored her She had everything except someone to share her success with That is until Chance Brewer entered her life Chance is a charismatic smooth talking lawyer with a hidden dark side Chance brings Nevaeh to new heights of happiness but hurls her into a maelstrom of emotions when she decides to indulge in her desire for women Her life takes another tumultuous turn when she meets Sia Lyle She quickly learns that when choosing a lover everything that looks good isn't always good for you Caught in a tangled web of love sex and drama while also dealing with coming out to her parents she quickly realizes that her intentions to embrace her sexuality will truly test her mettle Unprepared for what's to come and torn between two women she is quickly swept into the whirlwind world of Sapphic love *Perv* Jesse Bering, 2013-10-08 As a sex writer Jesse Bering is fearless and peerless Dan Savage You are a sexual deviant A pervert through and through We may not want to admit it but as the award winning columnist and psychologist Jesse Bering reveals in *Perv* there is a spectrum of perversion along which we all sit Whether it's voyeurism exhibitionism or your run of the mill foot fetish we all possess a suite of sexual tastes as unique as our fingerprints and as secret as the rest of the skeletons we've hidden in our closets Combining cutting edge studies and critiques of landmark

research and conclusions drawn by Sigmund Freud Alfred Kinsey and the DSM 5 Bering pulls the curtain back on paraphilias arguing that sexual deviance is commonplace He explores the countless fetishists of the world including people who wear a respectable suit during the day and handcuff a willing sexual partner at night But he also takes us into the lives of erotic outliers such as a woman who falls madly in love with the Eiffel Tower a pair of deeply affectionate identical twins those with a particular penchant for statues and others who are enamored of crevices not found on the human body Moving from science to politics psychology history and his own reflections on growing up gay in America Bering confronts hypocrisy prejudice and harm as they relate to sexuality on a global scale Humanizing so called deviants while at the same time asking serious questions about the differences between thought and action he presents us with a challenge to understand that our best hope of solving some of the most troubling problems of our age hinges entirely on the amoral study of sex As kinky as it is compassionate illuminating and engrossing Perv is an irresistible and deeply personal book I can't promise you an orgasm at the end of our adventure Bering writes but I can promise you a better understanding of why you get the ones you do
