## **Devotions For The Christian Public Servant:**

*Devotions for the Christian Public Servant* James D. Slack, 2014-11-01 A daily workplace devotional for Christian public servants was launched in September 2012 by the Robertson School of Government at Regent University The term public servant includes people working in all levels of government the nonprofits education healthcare social work public safety and defense as well as in faith based service agencies and church management The word Christian includes everyone in the Body of Christ regardless of denomination and faith practice The daily email devotional called The Christian Public Servant was first sent on November 5 2012 to 300 subscribers Based strictly on devotionals submitted by volunteers the email version continues to grow It now has over 10 000 subscribers on six continents This printed volume contains selected entries from the email version Each devotional is workplace or profession oriented and written conversationally as if you and the author are enjoying a coffee break Entries cover a variety of topics which public servants face *DEVOTIONS AND PRAYERS FOR*

*POLICE OFFICERS* Steven J. Voris, 2015-09-01 While keeping physically fit and achieving expert law enforcement skills are essential to a successful police officer maintaining a strong heart mind and soul are also crucial to surviving in his or her career This new edition of this singular book serves as a tool to help law enforcement officers consciously take the pulse of their soul ensuring that they stay on a strong spiritual and moral path The book is not just a collection of devotionals with religious meaning but rather it clearly identifies some of the most trying situations that officers often find themselves in and helps them make sense of it all The author then links these situations with relevant biblical passages Each devotion in the book is freestanding and can be used in any order The devotionals and corresponding situations are presented in five categories Justice Dealing with People Crime and Police Situations Prevention and Self Care Each of the 69 devotion sections concludes with questions for reflection and a meaningful prayer The revision of the text includes 15 percent more devotionals and the Appendix of Prayers for Law Enforcement Situations has been increased from two to 22 prayers These address a wide variety of ceremonial functions including cadet graduations retirements blessings for substations and award banquets Also new is a guide for offering prayers for Fire Department events This unique book is designed not only for the individual police officer but firefighters law enforcement supervisors community service officers chaplains and ministers as well

**Abortion, Execution, and the Consequences of Taking Life** James D. Slack, 2017-09-08 This book focuses on the relationship between public morality and personal action in the American political community It emphasizes the responsibilities of citizens and government to find and confirm truth looking to specific sources religious scripture and empirical events Recognizing that we have a natural preference for distraction and distance from both sources of truth Slack uses qualitative open ended interviews and direct observation to uncover the intimate consequences of life taking in open societies Abortion and murder capital punishment are instances in which there is a sequence of events that result in life taking The act of murder denies the sanctity of life of someone else Abortion and capital punishment also deny the sanctity of

the lives of others The intimacy of life taking is not typically acknowledged or remains hidden This makes it difficult to assess the consequences for victims survivors and the political community as a whole As a result there is only a tenuous link between public actions that question the sanctity of human life and the moral compass professed by the American democracy The volume presumes a theocentric foundation envisioned by the American Founders It explores the model's first source of truth biblical scripture as it applies to the public actions of murder abortion and capital punishment Then it investigates the intimate reality of these acts These realities are examined in a variety of settings resulting in a mosaic pattern of public action about capital punishment and abortion Slack underscores the importance of government's role of providing outward justice as well as the citizen's responsibility to be supportive of government tasks in order to reconcile the reality of life taking with the moral compass professed in the American political community

The Christian Advocate ,1929     A Layman's Daily Devotional Curt Donahue,2017-02-27 A Layman's Daily Devotional was written by a layman for laypeople of all ages It is mostly devoid of theological terms so it is easier for the average person to understand There are applicable illustrations to help people comprehend the message from Scripture and its application to the message of the day There is a devotion for every day of the year and several devotions for specific days in the Christian calendar as well as for days on which we honor both mothers and fathers The reader will likely gain a closer relationship with their Lord and Savior Jesus Christ through daily use and may also develop a closer relationship with family members when used as a family devotion The changing and challenging circumstances in our world today require closer relationships with both God and family A Layman's Daily Devotional lends itself to development of both relationships With few exceptions each devotion is a stand alone devotion This book would make a meaningful gift to a young person venturing out on their own who could develop the habit early of spending time each day with God which is always a good way to start every day A Layman's Daily Devotional is written such that it can be used year after year throughout one's life
