self respecting totally decent soundly homicidal guy Dexter Morgan takes great pride in his work and is careful to remain anonymous So he is naturally upset to discover that someone has identified him and worst of all is now turning his own methods against him The situation soon becomes more complicated when a brutal cop killer begins targeting Miami s police detectives leaving behind bodies that are battered beyond recognition and stoking the department s worst fears As his colleagues grow more paranoid of the psychotic killer in their midst Dexter s position is increasingly perilous He is running out of time to track down this copycat and deliver his usual special justice before his dark hobby is revealed to the world
