Describe how officers' professional expectations rose with the birth of the modern military.

Correct Answer: The only title to an officer's commission shall be, in time of peace, education and professional knowledge; in time of war, distinguished valor and perception.

Defend the requirement for officers to swear an oath of office. Correct Answer: Responsibility should always accompany authority, so the oath (a profession of responsibility) comes before the actual commission.

Compare and contrast direct leadership with indirect leadership. Correct Answer: As an indirect leader, you will now lead in concert with and through other leaders.

Describe the four forms of indirect leadership. Correct Answer: Leadership from a Distance, Leadership through a Link, Leadership through Creations, and Upward Influence.
