Outing: Sport, Adventure, Travel, Fiction, 1894 Spirit of Adventure Alvin Townley, 2009-05-12 An extraordinary journey alongside America's new generation of Eagle Scouts as they share their stories and the lessons scouting has taught them. Like so many of us these Eagle Scouts are out there pushing limits exploring new possibilities and serving other people. Spirit of Adventure tells a compelling story about a new generation and America's future. Peyton Manning former NFL quarterback. Over the past century Scouts have helped to guide the course of American history. But what does Scouting and the Eagle badge mean to the Scouts of today? How will they shape the future of Scouting and America itself? In Spirit of Adventure Scouting expert and Eagle Scout Alvin Townley finds the answer. Townley traveled across the country and to the far corners of the globe to meet these young Eagle Scouts. He found them everywhere continuing the life of adventure and service that they had begun in Scouting. He discovered them in Afghanistan providing medical care to villagers in Australia saving coral reefs at the Super Bowl and Olympic venues striving for victory on desert cliffs and at inner city schools teaching new lessons in Africa bringing hope to children and on the windswept deck of the aircraft carrier USS Nimitz preparing for takeoff. Whether doctors activists servicemen entrepreneurs or teachers these young men are changing the world through bold actions that capture the essence of the Scouting tradition. In Spirit of Adventure Townley answers important questions about the future of Scouting and America while revealing stories of service courage and pure excitement that introduce our nation to an inspiring new generation of leaders. **Summits and Icefields** Chic Scott, 2003 This guide to alpine ski touring in the Columbia mountains features popular ski ascents glacier tours and commercial lodges.
