whole lot less cooperative than they have been That was true even before I drew the short straw and ended up with Vampire duty Since then Reaping has taken way more time So much I m worried I ll lose all the clients from the career that actually feeds me I run a small private pilot school It pays most of the bills and means I don t have to keep regular hours Death wants me to remain in one piece She s bailed me out often enough she s all but ordered me to find other employment I just smile and nod after our little talks and then I climb back into a cockpit Our last toe to toe didn t go so well She went and assigned Vampires to me That s when Reaping turned into a million hour a week job I can almost hear the Reaper who was stuck with them before laughing his head off I shepherd souls to the other side Vampires have zero interest in leaving but I have a quota to fill Means I have to trick them but it didn t work for long They re onto me Damn Death anyway She painted a target on my back and now the Vamps are out for blood In more ways than one Rebel Reaper Come fly with me Catchy huh It works for airplanes Maybe it will work for the dead once I launch my own Reaping business Except my new tagline will be come die with me Back when my life was simpler I thought all I had to do was hold gateways for the dead to pass through Silly me I actually enjoyed Reaping Almost like a drug or fine old whiskey it made me high filled me with delight and left me glowing with the rightness of providing a last bit of compassion Good little Reaper that I am I never examined any of it too deeply just crafted portals exactly as Death trained me Ha She neglected to mention I command way more magic than she d let on in Reaper school Death smiled pretty to my face and then lied to me Used me Me and all the other Reapers I can t not Reap It s hardwired into me But I can tell Death I quit Big words I have no idea if I ve got the guts to follow through or what Death would do about open insubordination I ve always liked to live on the wild side though so I guess I m about to find out Untamed Reaper I did it I m free Well sort of Freedom isn t as cut and dried as the word implies In this case I m at the top of Death s Worst Reaper Ever list What it signifies remains to be seen I broke free from Death because there wasn t any other way out of Reaping Vampires She refused to let me off the hook or consider other arrangements I d have been content leaving it at that but word about my choice got out Other Reapers clamored for independence too Death s fury expanded another notch with every defection until nowhere is far enough away for me to run to If I was only fighting her it might be manageable Toss in Vampires who hate my guts a phalanx of dark gods who want my hide and a bunch of bigoted mortals who ve decided magic is holding them back Pah Humans are their own worst enemy but they re the least of my problems It s been a rocky journey Along the way I ve uncovered allies and even a man who loves me Will we be enough to slam the gates and send darkness packing We have to be No prisoners No choices

Cataclysm, Books 1-4 Ann Gimpel, 2021-02-14

Bundled together for the first time Over 1200 pages of riveting vampiric urban fantasy Harsh Line My very existence is under attack I ve kept a low profile told myself the craziness sweeping the world would pass me by Yeah it was wishful thinking actually an outright lie but it s kept me sane I ve been hiding out forever in one guise or another Currently I run a nightclub Ascent is an ask me no questions and I ll tell you no lies haven For everybody I m a Vampire Far be it from me to judge My

closest ally is a shapeshifting dire wolf I adopted him when he was a scrawny puppy but I'm getting ahead of my tale The fragile détente between supernaturals and humans has crashed and burned I can't avoid the truth any longer Lucky for me mortals don't know exactly what I am When I moved to Seattle some vampiric sixth sense urged me to play my cards close to my vest but I'm done burying my secrets And my power Warped Line I chose stasis a long sleep for me and two of mine Hard to time these things but we woke in the eye of a cyclone When I went to sleep to avoid being drained of magic and blood by dark Sorcerers Vampires weren't exactly on the endangered species list but not many of us are left No one ever accepted us Not mortals and not others with power either At least one of those dams has developed a few cracks Supernaturals aren't quite welcoming but they'll take help from any quarter Mortals have declared war on magic and they won't rest until we're all sitting in iron clad prisons What a bunch of cowards If they weren't hiding behind false humanitarian walls they'd be honest about their intentions and do their damndest to kill us outright Cracked Line Vampires don't fall in love Except I did Not the best decision of my long life I definitely cracked an unspoken line but Ariana trounced me as far as line crossing went Very few acts constitute crimes in Vampire circles Hers was the worst I fled to the Old Country to buy myself thinking time I still loved her but what she'd done was so vile I couldn't set it aside We face huge problems but I'm tackling them one by one I'll return to Ariana's side but perhaps only as her comrade in arms Time will tell if we can be more to each other Time and circumstances In a world without magic Vampires will wither along with every other magic wielder I cannot let that happen Broken Line In all my years as a Vampire hundreds of them I never imagined humans would be anything other than food Rich pure delectable blood Prey that fought back never posed a problem Mortals couldn't stand against those of us with supernatural ability That world still exists but it's taken a backseat to humans who've joined forces with turncoat mages Mortals were never meant to wield power Over the long haul they're sure to be very sorry for the choices they've made Maybe someday I'll be a humble innkeeper again but it's so far in the future I can't even think about it Nope For now all I see is blood Rivers of it and not running down my gullet either On the plus side I have good friends powerful allies and a Vampire who loves me We have to come through this unscathed Have to I'm Ariana Hawke and I take care of what's mine
