

CONSUMER PROTECTION ACT

Consumer Protection Act 68 Of 28 April 2009

S Marginson

Consumer Protection Act 68 Of 28 April 2009:

, Reluctant Regulators Leo F. Goodstadt, 2011-04-01 The 2007 2009 global financial crisis was predictable and avoidable but American and British regulators chose not to intervene They failed to implement their own policies because of an Anglo American regulatory culture of non intervention that dominated financial regulation worldwide Hong Kong the international financial center of an increasingly prosperous China defied world opinion and made stability its priority This policy ensured Hong Kong s robust performance during the last 15 years and it made possible Hong Kong s impressive contributions to financing China s economic take off and to the modernization of its financial institutions Reluctant Regulators is a scathing indictment of regulatory inertia in the West It provides original insights into the causes of financial crises and pays special attention to China s attempts at reform and Hong Kong s place in China s financial modernization Leo F Goodstadt was chief policy adviser to the Hong Kong Government as head of its Central Policy Unit 1989 1997 and has had an extensive consultancy practice in Asian banking He has written widely on the global financial crisis and on China s economic development

Ethics Can Cynthia Schoeman, 2014-09-30 The exercise to fill in the blank e Ethics can _____ e would no doubt give rise to numerous different responses Another perspective based on all that workplace ethics can realise and deliver is to recognise that e Ethics can e is the full sentence Ethics can build trust it can create pleasant productive workplaces that are characterised by high levels of fairness respect accountability and responsibility it can foster sound relationships with internal and external stakeholders it can position the organisation as an employee of choice attracting and retaining the best talent it can boost the organisations reputation and brand equity it can create a high degree of customer and investor confidence and it can and should be a key differentiator that accords ethical organisations a unique source of competitive advantage In short ethics can make all the difference which is a difference that is sorely needed The book includes various practical exercises checklists and guidelines suggested workplace discussions case studies and commentaries and further reading The title of this book e Ethics Can e lives up to its promise In addition to dealing with more recent issues such as cybercrime social media and supply chain the content is an illustration of how ethics permeates every aspect of the workplace The book is packed with practical examples and each chapter contains useful questions for workplace discussions and recommended reading That the author eats sleeps and breathes ethics shines through If you are uncertain about how to take ethics from concept to implementation read this book And keep it for regular future reference

Ansie Ramalho Chief Executive Officer The Institute of Directors Southern Africa Cynthia Schoeman is at the forefront of promoting business ethics in South Africa Drawing on her extensive knowledge and experience she has written an exceptional book It offers a clear and systematic treatment of business ethics and is laced with valuable insights and practical suggestions Rabbi Gideon Pogrand MA Cantab Business Ethics Consultant

Energy Justice and Energy Law Iñigo del Guayo, Lee Godden, Donald D. Zillman, Milton Fernando Montoya, José Juan González, 2020-05-21 Energy justice has

emerged over the last decade as a matter of vital concern in energy law which can be seen in the attention directed to energy poverty and the United Nations Sustainable Development Goals There are energy justice concerns in areas of law as diverse as human rights consumer protection international law and trade and in many forms of regional and national energy law and regulation This edited collection explores in detail at four kinds of energy justice The first distributive justice relates to the equitable distribution of the benefits and burdens of energy activities which is challenged by the existence of people suffering from energy poverty Secondly procedural or participation justice consists of the right of all communities to participate in decision making regarding energy projects and policies that affect them This dimension of energy justice often includes procedural rights to information and access to courts Under the concept of reparation or restorative justice the book looks at even handed enforcement of energy statutes and regulations as well as access to remedies when legal rights are violated Finally the collection addresses social justice with the recognition that energy injustice cannot be separated from other social ills such as poverty and subordination based on race gender or indigeneity These issues feed into a wider conversation about how we achieve a just energy transition as the world confronts the urgent challenges of climate change

Strategies for Compliance Alan Brener, 2020-12-20 Compliance is a fundamental control function within regulated industries globally This book provides an expert introduction to corporate compliance using cases examples and insights from the financial services sector and beyond The author an experienced compliance practitioner and academic highlights compliance challenges using examples such as Wells Fargo whistleblowing in the financial services and the mis selling of payment protection insurance in the UK banking sector The book explores strategies for creating compliant cultures and fostering regulatory trust whilst practical guidance is provided on anticipating regulatory changes Addressing organisational obstruction and delay the author presents a series of valuable tools and techniques for real world practice An essential professional development resource for board directors compliance officers and other senior managers the book also provides a unique learning and development resource for students of corporate compliance globally
