the Mini s brand significant revival Beginning with a description of the brand and its related attributes the paper analyses the Mini s brand performance in the last five years and its positioning related to its main competitors Furthermore it explains the brand s performance by analysing its customer perceptions and gives some recommendation how to capture and manage future opportunities and challenges

2 Description of the brand Mini and its attributes Due to the closure of the Suez Canal and its combined oil crisis the engineer and designer Alec Issigonis received the mission from the British Leyland Motor Corporation to design a fuel efficient car During the 1960 s the Mini s brand gained an image of cult and lifestyle however the car was accident sensitive and sales figures dropped significantly which is why the BMW Group overtook the Mini brand in 1994
