## **Detour Destination Abiding Love:**

**Detour: Destination Abiding Love** JoAnn Carter, **The Story Within** Laura Oliver, M.F.A., 2011-11-01 Laura Oliver has been teaching aspiring writers how to plumb emotional contradictions for insight for more than a decade in workshops and university classes Now she has written the book her students have been asking her for a book that aspiring writers of every genre can use to guide coach and encourage them on their journey The Story Within employs the compelling art of memoir to illuminate craft and touches on nuanced subjects only a teacher who is herself actively writing knows to address Each chapter offers excerpts from Laura s own stories as well as those of students and published authors and then provides fresh advice and clear instruction on the subject of writing **The Dominion of the Heart** James P. Robson, 2019-08-22 This book is my eleventh containing poems of encouragement written in late 2018 and early 2019 Over the past 50 years I have been blessed by learning how to slow my mind outwardly and to focus on dwelling on the inside or spiritual dimension so I could interface and receive guidance from the Holy Spirit By reading many books pertaining to spiritual matters including God s Holy Word I was able to accumulate a reservoir of truth principles Since experience is a great teacher many truths have become much clearer and easier to understand when the human mind is still and available to delve into the subconscious mind The human heart is at the center of man s existence and has dominion with Jesus Christ making His home base come alive through the power of the Holy Spirit God sends forth His blessings to all who seek communion with the Holy Spirit and this is a promise man can count on With Christ s blessings and encouragement James P Robson **A Marriage Built to Withstand Anything** William Tellis, 2025-11-16 A Marriage Built to Withstand Anything is a powerful and profoundly moving anthology that explores the unyielding strength of love as it confronts life s most devastating challenges Through a series of intimately connected narratives the book introduces various iterations of Elara a soul often characterized by her vibrant connection to nature or her enduring spirit as she builds an unbreakable bond with partners like Caspian a pragmatic architect whose hands sculpt concrete into symphonies of stone Each story serves as a testament to the idea that a truly lasting marriage isn t immune to storms but rather like a meticulously designed structure or a tenacious wildflower it possesses an innate resilience that allows it to not only survive but to thrive and find unexpected beauty even in the cracks From a botanist and an architect whose love quietly blossoms amidst the rebuilding of a city shattered by an earthquake to a couple whose shared solace cultivates hope in the face of devastating loss these tales illustrate how contrasting strengths can interlock to form an impenetrable foundation The characters navigate profound adversity personal grief and the literal and metaphorical wreckage of their lives Yet through quiet acts of devotion unwavering mutual support and the shared understanding that even in destruction life finds a way to grow their bonds deepen With vivid imagery drawn from resilient wildflowers sturdy architecture and the transformative power of nature A Marriage Built to Withstand Anything is an ode to the quiet courage of enduring commitment It reminds us that the most beautiful love stories are those that are forged in fire

withstand the elements and ultimately stand as monumental testaments to a love that truly can brave and overcome anything
