Handbook of Catholic Social Teaching Martin Schlag,2017 Handbook of Catholic Social Teaching employs a question and answer format to better accentuate the response of the Church's message to the questions Catholics have about their social role and what the Church intends to teach about it Written in consultation with the Pontifical Council for Justice and Peace the Handbook should take its place alongside the Catechism of the Social Doctrine of the Church on the shelf of informed Catholics as works that can inform what we believe and do in the public sphere **A Handbook for Catholic**

Preaching Edward Foley,2016 While admitting particular parameters and priorities for Roman Catholic preachers this volume was intentionally envisioned as a handbook for catholic preaching in the broadest and most universal sense of that term Cosponsored by the Catholic Academy of Liturgy the Catholic Association of Teachers of Homiletics and the Federation of Diocesan Liturgical Commissions it covers the role of the Scriptures in preaching the challenges of preaching in a digital age sermonizing in an interfaith context and the need for a liberative and prophetic word that cuts across denominations and even faith traditions Intended to aid those who teach or direct the preaching arts the design and writing style of this book are particularly calibrated to graduate students in ministerial studies Every article is a self contained overview of a particular historical period genre of preaching homiletic theory or contemporary issue This more encyclopedic approach devoid of footnotes yet supported by pertinent bibliography and an extensive index provides a sufficiently rich yet thoroughly accessible gateway to major facets of the preaching arts at this stage of the twenty first century General Editor Edward Foley Associate Editors Catherine Vincie Richard N Fragomeni Contributors Herbert Anderson John F Baldovin Alden Lee Bass Dianne Bergant Stephen Bevans Robert Bireley John Carr Anthony Collamati Michael E Connors Guerric DeBona Frank
