

DEVELOPMENT STUDIES

PAPER ONE & TWO

Module 6: population, health & education

MAKING A ROUNDER SECONDARY SCHOOL DEVELOPMENT STUDIES

Module 6: Population, Health & Education

Paper 1

1. Use **Define** population.

- **Population** refers to a group of people in an area at a given time.

2. Use **Describe** **three** benefits of rapid population growth rate to the development of Botswana.

- The benefit of rapid population growth rate to development of Botswana is increased market demand.
- The benefit of rapid population growth rate to development of Botswana is increased provision of labour.
- The benefit of rapid population growth rate to development of Botswana is the use of advanced technology.
- The benefit of rapid population growth rate to development of Botswana is increased security of security expenditure.
- The benefit of rapid population growth rate to development of Botswana is increased understanding of man's behaviour and a positive development of human as human identity.

3. Use **Define** **population density**.

- **Population density** is the average number of people per unit area.
- **Population density** is the number of people per unit area.

4. Give **three** reasons why population density may differ from one place to another.

- The reason population density differs from one place to another is due to economic activities such as presence of resources, employment and industries.

- The reason population density differs from one place to another is due to availability of resources, for example, water and food.
- The population density differs from one place to another due to nature of the land, for example, some people preferred to settled on top of mountains for security reasons.
- The population density differs from one place to another due to fertility of the land, for example, arable lands.
- The population density differs from one place to another due to climate, for example, people involved in crop production.
- The population density differs from one place to another due to transportation.
- The population density differs from one place to another due to wars and conflicts, for example, civil wars and refugees.
- The population density differs from one place to another due to infrastructure, for example, paved roads and telecommunications networks.
- The population density differs from one place to another due to social amenities, for example, schools and hospitals.
- The population density differs from one place to another due to availability of recreational facilities, parks, gym rooms and cinemas.

5. Use **Define** **overpopulation**.

- **Overpopulation** is the state of excessive resources being inadequate to support the number without a minimum standard of living.

6. State **three** problems for the natural environment that may result from overpopulation.

- The problem of overpopulation on the natural environment is soil erosion.
- The problem of overpopulation on the natural environment is desertification land degradation.
- The problem of overpopulation on the natural environment is deforestation loss of vegetation.
