Bayonetta however the protagonist isn't limited by a stamina bar. Although the game doesn't lack spectacular scenes they aren't based on QTE sequences. The combat was improved as well although it lacks any revolutionary changes. The surroundings feature interactive objects that can be used in battle. In addition to that players participate from time to time in large battles like in musou games where one must face many enemies simultaneously. The most spectacular challenging and advanced battles are the ones against bosses. A single duel can be split into a few sequences that take place in separate sceneries. Unreal Engine a technology used in games like Gears of War 4, Playerunknown's Battlegrounds and Street Fighter V was used for the development of Devil May Cry V for PC and PS4. The title works in 60 frames per second and it features dynamic camera system that for example moves away from the character during combat with large groups of enemies. It is worth mentioning that the cutscenes in the game were directed by Yuji Shimomura who also worked on the third and fourth game in the series. Onyiah Pheori who also worked on Devil May Cry 4 helped in composing the soundtrack to the game. Rueben Langdom once again dubbed Dante while Johnny Young Bosch played Nero and Dan Southworth acted as Vergil. The Devil May Cry 5 Guide is a comprehensive source that will let you complete 100% of the game. With our help you can complete all 20 missions in the game, unlock higher difficulty levels, defeat powerful bosses or discover all 12 hidden missions in the game. Our solution also includes a description of the basics of the game which will be particularly useful for new players with no prior DMC experience. The initial chapters of our guide describe the basics which include starting tips, a description of controls, trophies and achievements to be unlocked and other important information about the game. You will also learn what level of difficulty is best to choose at the beginning in order to enjoy the right pace of the game. Subsequent sections of our guide are devoted to heroes in the game. In Devil May Cry 5 you will come to direct Dante, Nero and the mysterious V. For each character we have prepared a description of the arsenal, a list of skills, tips on how to fight and which skills are in our opinion the most important for a given hero. Our guide also includes an extensive FAQ section where you can find answers to the most important questions related to DMC5. Here you will learn how to increase your health level, how to increase the Devil Trigger bar, how to unlock other difficulty levels or how to earn high points for style. [Devil May Cry 5](#)
