*Devil Stories* Maximilian J. Rudwin, 2024-01-25 Of all the myths which have come down to us from the East and of all the creations of Western fancy and belief the Personality of Evil has had the strongest attraction for the mind of man The Devil is the greatest enigma that has ever confronted the human intelligence So large a place has Satan taken in our imagination and we might also say in our heart that his expulsion therefrom no matter what philosophy may teach us must for ever remain an impossibility As a character in imaginative literature Lucifer has not his equal in heaven above or on the earth beneath In contrast to the idea of Good which is the more exalted in proportion to its freedom from anthropomorphism the idea of Evil owes to the presence of this element its chief value as a poetic theme The discrowned archangel may have been inferior to St Michael in military tactics but he certainly is his superior in matters literary The fair angels all frankness and goodness are beyond our comprehension but the fallen angels with all their faults and sufferings are kin to us There is a legend that the Devil has always had literary aspirations The German theosophist Jacob Boehme relates that when Satan was asked to explain the cause of God's enmity to him and his consequent downfall he replied I wanted to be an author Whether or not the Devil has ever written anything over his own signature he has certainly helped others compose their greatest works It is a significant fact that the greatest imaginations have discerned an attraction in Diabolus What would the world's literature be if from it we eliminated Dante's Divine Comedy Calderon's Marvellous Magician Milton's Paradise Lost Goethe's Faust Byron's Cain Vigny's Eloa and Lermontov's Demon Sorry indeed would have been the plight of literature without a judicious admixture of the Diabolical Without the Devil there would simply be no literature because without his intervention there would be no plot and without a plot the story of the world would lose its interest Even now when the belief in the Devil has gone out of fashion and when the very mention of his name far from causing men to cross themselves brings a smile to their faces Satan has continued to be a puissant personage in the realm of letters As a matter of fact Beelzebub has perhaps received his greatest elaboration at the hands of writers who believed in him just as little as Shakespeare did in the ghost of Hamlet's father

Davenport,1959 **Among Our Books** Carnegie Library of Pittsburgh,1921 **Devil's Hill** E Reyes,2020-10-31 R L Stine has Fear Street Stephen King has Castle Rock E Reyes has Devil s Hill From the mind of author E Reyes comes his debut horror anthology full of 15 terrifying Halloween stories that will keep you thinking long after the tales have been read It s the darker half of the year Cold weather begins and dead leaves are around us Short days and long nights provide the perfect setting for ghost stories And on every Halloween the veil between the dead and the living is at its thinnest But this year the veil is completely gone allowing spirits deities the unexplained and true evil to roam the town of Devil s Hill Arizona freely when a group of witches summon an ancient deity into a scarecrow Each of the 15 stories in Devil s Hill is different and unique but they all connect to the underlying cause of what the witches have summoned Halloween in Devil s Hill is about to

be the scariest one ever This is the second edition of Devil s Hill and it includes a Behind the Stories chapter **The Devil**  
William Makepeace Thackeray,2015 What is our darkest fear Death Or the thought of spending eternity in Hell for spreading  
evil in our three score and ten years on Earth Whether we think of Hell or Hades as our final destination the idea of meeting  
any incarnation of the Devil Satan Lucifer Beelzebub Iblis and his other various given names the literary references and  
evidence we have suggests a conversation or anything at all with him would be a very big mistake It is often said that the  
Devil for such a feared entity actually has very little power Most ascribe to him yes I can t think of any references to the Devil  
described as a woman only the power to suggest evil in the hearts of humans From such thoughts a whole industry of evil has  
sprung and leapt into our culture Whilst we might expect among our wordsmiths for Edgar Allan Poe to create a world of  
horror do we expect the same from Thackeray or Gorky Probably not but they deliver So its time to summon up the courage  
and immerse ourselves in a good book as the night draws in Supernaturalism and Satanism in Chateaubriand Maximilian
