dealings with the world Thirdly the book aligns all Biblical prophecy both Old and New Testament and shows how they all lead to the Second Advent or the Second Coming of Christ to rule the earth in His messianic kingdom Fourth the book seeks to correct the doctrinal problems that existed and still exist within the church and to instruct Christians in such things as salvation prophesy the person and being of Christ and Christian living Lastly this book proves itself to be useful on the attack on Paganism and the emperor worship of the Roman Empire particularly against the Emperor Domitian and the persecution of Christians
