culminates in Montreal with a terrifying showdown a nerve shattering test of both her forensic expertise and her skills for survival      **Fatal Voyage** Kathy Reichs,2002-06-25 Temperance Brennan rushes to North Carolina to help with a plane crash when her investigations lead to an evil that will test her courage      **Literature and Human Rights** Ian Ward,2015-03-10 The idea of human rights is not new But the importance of taking rights seriously has never been more urgent The eighteen essays which comprise Literature and Human Rights are written as a contribution to this vital debate Each moreover is written in the spirit of interdisciplinarity reaching across the myriad constitutive disciplines of law literature and the humanities in order to present an array of alternative perspectives on the nature and meaning of human rights in the modern world The taking of human rights seriously it will be suggested depends just as much on taking seriously the idea of the human as it does the idea of rights
