Dexter Episode Guide Season Three:

Television Westerns Episode Guide Harris M. Lentz, 1997 Since Hopalong Cassidy and the Lone Ranger blazed their first trails on television in 1949 Westerns have been the genre of choice for 180 series Some Gunsmoke Bonanza and Maverick for example were classics others such as 26 Men and Shotgun Slade were quickly forgotten From Adventures of Briscoe County through Zorro and Son this comprehensive reference work covers all 180 Western series Each entry opens with a listing of the broadcast history of the series including original network day and time This is followed by a listing of the regular cast members and a brief premise of the series The individual episodes are then covered with the title original air date leading guest stars and a brief synopsis given An exhaustive index completes the work [The British Television Pilot Episodes Research Guide 1936-2015](#) Christopher Perry, 2015-12 A new idea can become an expensive flop for TV executives So from the earliest days of television the concept of a pilot episode seemed like a good idea Trying out new actors new situations and new concepts before making a series was good economical sense It was also tax deductible Sometimes these pilots were shown on television sometimes they were so awful they were hidden from sight in archives and sometimes they were excellent one offs but a series seemed elusive and never materialised Chris Perry has always been fascinated by the pilot episode So many pilots are made annually but never seen by audiences Only a handful appear on screen It s a hidden world of comedy variety drama and factual programming This volume attempts to lift the lid on the world of the TV pilot by revealing the many transmitted and untransmitted episodes made through the decades **Making Patton** Nicholas Evan Sarantakes, 2012-09-26 Forever known for its blazing cinematic image of General George S Patton portrayed by George C Scott addressing his troops in front of a mammoth American flag Patton won seven Oscars in 1971 including those for Best Picture and Best Actor In doing so it beat out a much ballyhooed M A S H irreverent darling of the critics and grossed 60 million despite an intense anti war climate But as Nicholas Evan Sarantakes reveals it was a film that almost didn t get made Sarantakes offers an engaging and richly detailed production history of what became a critically acclaimed box office hit He takes readers behind the scenes even long before any scenes were ever conceived to recount the trials and tribulations that attended the epic efforts of producer Frank McCarthy like Patton a U S Army general and Twentieth Century Fox to finally bring Patton to the screen after eighteen years of planning Sarantakes recounts how filmmakers had to overcome the reluctance of Patton s family copyright issues with biographers competing efforts for a biopic and Department of Defense red tape He chronicles the long search for a leading man including discussions with Burt Lancaster John Wayne and even Ronald Reagan before settling on Scott a brilliant actor who brought to the part both enthusiasm for the project and identification with Patton s passionate persona He also tracks the struggles to shoot the movie with a large multinational cast huge outlays for military equipment and filming in six countries over a mere six months And he provides revealing insider stories concerning for example Scott s legendary drinking bouts and the origins of and debate over his famous opening monologue

Drawing on extensive research in the papers of Frank McCarthy and director Franklin Schaffner studio archives records of the Academy of Motion Picture Arts and Sciences contemporary journalism and oral histories Sarantakes ultimately shows us that Patton is more than just one of the best war films ever made Culturally it also spoke to national ideals while exposing complex truths about power in the mid twentieth century [Watching TV](#) Harry Castleman,Walter J. Podrazik,2024-12-16 Castleman and Podrazik present a season by season narrative that encompasses the eras of American television from the beginning in broadcast through cable and now streaming They deftly navigate the dizzying array of contemporary choices so that no matter where you start on the media timeline Watching TV provides the context and background to this multi billion dollar enterprise Drawing on decades of research the authors weave together personalities popular shows corporate strategies historical events and changing technologies enhancing the main commentary with additional elements that include fall prime time schedule grids for every season date box timelines highlighted key text and selected photos Full of facts firsts insights and exploits from now back to the earliest days Watching TV is the standard chronology of American television and reading it is akin to channel surfing through history The fourth edition updates the story into the 2020s and looks ahead to the next waves of change This new edition is the first to also be available in a digital format **Prime Time Network Serials** Bruce B. Morris,1997 In 1964 ABC launched a programming experiment developing a prime time series similar to the daytime soap operas that were so successful Peyton Place debuted on September 15 1964 and was a fixture on the network s schedule for the next five years The success of Dallas in the early 1980s made the prime time soap opera a staple of television programming From Bare Essence through The Yellow Rose this reference work details the successes and failures of 37 prime time serials that appeared on network television through 1993 For each show there is a lengthy history that covers the character development and provides production details That is followed by a season by season guide to the show providing start and end of the season time slot comprehensive cast and credits and an episode guide [Language, Ideology and Identity in Serial Killer Narratives](#) Christiana Gregoriou,2011-01-25 In this book Gregoriou explores the portrayal of the serial killer identity and its related ideology across a range of contemporary crime narratives including detective fiction the true crime genre and media journalism How exactly is the serial killer consciousness portrayed how is the killing linguistically justified and how distinguishing is the language revolving around criminal ideology and identity across these narrative genres By employing linguistic and content related methods of analysis her study aims to work toward the development of a stylistic framework on the representation of serial killer ideology across factual i e media texts fictional i e true crime books and fictional i e novels murder narratives Schema is a term commonly used to refer to organised bundles of knowledge in our brains which are activated once we come across situations we have previously experienced a group schema being one such inventory shared by many By analysing serial murder narratives across various genres Gregoriou uncovers a widely shared group schema for these murderers and questions the extent to which real criminal minds are in fact

linguistically fictionalised Gregoriou's study of the mental functioning and representation of criminal personas can help illuminate our schematic understanding of actual criminal minds *TV Guide*, 2007 **Television Program Master Index**
