**The Great Depression and the New Deal** Robert F.

Himmelberg,2000-11-30 This essential guide to the Great Depression and the New Deal provides a wealth of information analysis biographical profiles primary documents and current resources that will help students to understand this pivotal era in American history The author an expert on this age of U S history and politics brings to life the traumatic period that began in 1929 and ended only with America s entrance into World War II in 1941 He carefully explains the causes of the Depression the actions taken by Franklin D Roosevelt to lift America out of its economic morass and the economic political social and cultural aspects of the age Following a chronology of events a narrative overview examines the events of the Great Depression and the New Deal Other topical essays address the causes and cure of the Depression America s struggle against the Depression the effect of the Depression on American politics changes in society and culture during the Depression decade and an evaluation of the New Deal from a contemporary perspective Twenty seven biographical profiles of key figures of the era the text of ten important primary documents a glossary of frequently cited terms and an annotated bibliography of print and nonprint materials for student use complete the work This work is an essential source for the most current thinking and resources on the Great Depression and the New Deal

### **The New Deal**

Kiran Klaus Patel,2024-11-01 The first book to globalize the history of the New Deal this is an amazing tour de force with fresh insights on virtually every page Akira Iriye Harvard University Co Winner of the World History Association Jerry Bentley Book Prize The New Deal A Global History provides a radically new interpretation of a pivotal period in US history The first comprehensive study of the New Deal in a global context the book compares American responses to the international crisis of capitalism and democracy during the 1930s to responses by other countries around the globe not just in Europe but also in Latin America Asia and other parts of the world Work creation agricultural intervention state planning immigration policy the role of mass media forms of political leadership and new ways of ruling America s colonies all had parallels elsewhere and unfolded against a backdrop of intense global debates By avoiding the distortions of American exceptionalism Kiran Klaus Patel shows how America s reaction to the Great Depression connected it to the wider world Among much else the book explains why the New Deal had enormous repercussions on China why Franklin D Roosevelt studied the welfare schemes of Nazi Germany and why the New Dealers were fascinated by cooperatives in Sweden but ignored similar schemes in Japan Ultimately Patel argues the New Deal provided the institutional scaffolding for the construction of American global hegemony in the postwar era making this history essential for understanding both the New Deal and America s rise to global leadership A compelling argument that is profoundly relevant to the twenty first century Glenn C Altschuler Huffington Post

### **New Metropolitan Perspectives**

Francesco Calabrò,Lucia Della Spina,Carmelina Bevilacqua,2018-05-19 This book explores the role of cities and the urban rural linkages in spurring innovation embedded in spatial planning strategic and economic planning and decision support

systems In particular the contributions examine the complexity of the current transitional phase towards achieving smart inclusive and sustainable growth and investigate the post 2020 UE cohesion policy The main topics include Innovation dynamics and smart cities Urban regeneration community led and PPP Inland and urban area development Mobility accessibility infrastructures Heritage landscape and Identity and Risk management Environment and Energy The book includes a selection of articles accepted for presentation and discussion at the 3rd International Symposium New Metropolitan Perspectives ISTH2020 held at the University of Reggio Calabria Italy on 22-25 May 2018 The symposium which addressed the challenge of local knowledge and innovation dynamics towards territory attractiveness hosted the final event of the MAPS LED project under Horizon2020 MSCA RISE

**The Great Depression and the New Deal** Eric Rauchway, 2008-03-10 The New Deal shaped our nation's politics for decades and was seen by many as tantamount to the American Way itself Now in this superb compact history Eric Rauchway offers an informed account of the New Deal and the Great Depression illuminating its successes and failures

**The New Deal** Michael Hiltzik, 2011 Franklin Roosevelt's New Deal began as a program of short-term emergency relief measures and evolved into a truly transformative concept of the federal government's role in Americans' lives More than an economic recovery plan it was a reordering of the political system that continues to define America to this day With this book writer Michael Hiltzik offers fresh insights into this inflection point in the American experience He shows how Roosevelt through force of personality commanded the loyalty of the fiscal conservatives and radical agrarians alike yet the same character traits that made him a great leader would sow the seeds of the New Deal's end Understanding the New Deal may be more important today than at any time in the last eight decades Conceived in response to a devastating financial crisis very similar to America's most recent downturn the New Deal remade the country's economic and political environment in six years of intensive experimentation and provided a model for subsequent presidents who faced challenging economic conditions right up to the present From publisher description

**A Concise History of the New Deal** Jason Scott Smith, 2014-05-29 This book provides a history of the New Deal exploring the institutional political and cultural changes experienced by the United States during the Great Depression

**The New Deal** William Edward Leuchtenburg, 1968

*The New Deal* Ronald Edsforth, 2000-04-07 In this concise and lively volume Ronald Edsforth presents a fresh synthesis of the most critical years in twentieth-century American history The book describes the collapse of American capitalism in the early 1930s and the subsequent remaking of the US economy during Franklin D Roosevelt's presidency It is written for a new generation of readers for whom the Great Depression is a distant historical event

[Yearbook of International Organizations 2005/2006](#), 2005-06 For the Yearbook of International Organizations the most up-to-date and comprehensive reference to international organizations the UIA has selected the most important 31 086 organizations from its extensive database of current and previous organizations Yearbook provides profiles of 5 546 intergovernmental and 25 540 international non-governmental organizations active in nearly 300 countries and territories in

the world today Organization descriptions listed in Volume 1 are numbered sequentially to facilitate quick and easy cross referencing from the other Yearbook Volumes Users can refer to Volumes 2 and 3 to locate organizations by region or subject respectively and comprehensive indexes are included Naturally the high standards of accuracy consistency and detail set by previous editions of the Yearbook of International Organizations have been maintained for this edition *The New Deal* Paul Keith Conkin,1967 **A Commonwealth of Hope** Alan Lawson,2006-07-24 Was the New Deal an aberration in American history This look at its origins and legacy is truly refreshing the author makes a good case for his ideas Journal of Economic History Did the New Deal represent the true American way or was it an aberration that would last only until the old order could reassert itself This original and thoughtful study tells the story of the New Deal explains its origins and assesses its legacy Alan Lawson explores how the circumstances of the Great Depression and the distinctive leadership of Franklin D Roosevelt combined to bring about unprecedented economic and policy reform Challenging conventional wisdom he argues that the New Deal was not an improvised response to an unexpected crisis but the realization of a unique opportunity to put into practice Roosevelt s long developed progressive thought Lawson focuses on where the impetus and plans for the New Deal originated how Roosevelt and those closest to him sought to fashion a cooperative commonwealth and what happened when the impulse for collective unity was thwarted He describes the impact of the Great Depression on the prevailing system and traces the fortunes of several major social sectors as the drive to create a cohesive plan for reconstruction unfolded He continues the story of these main sectors through the last half of the 1930s and traces their legacy down to the present as crucial challenges to the New Deal have arisen Drawing from a wide variety of scholarly texts records of the Roosevelt administration Depression era newspapers and periodicals and biographies and reflections of the New Dealers Lawson offers a comprehensive conceptual base for a crucial aspect of American history *New Deal Thought* Howard Zinn,1966 Covering the entire sweep of American history this unique new series draws its material entirely from primary sources Skillful annotation and interpretive introductions add to the vitality of these works and contribution to the cohesive character of the series which includes more than forty volumes Publisher *The New Deal and American Politics* John M. Allswang,1978

**The End Of Reform** Alan Brinkley,2011-09-21 At a time when liberalism is in disarray this vastly illuminating book locates the origins of its crisis Those origins says Alan Brinkley are paradoxically situated during the second term of Franklin Delano Roosevelt whose New Deal had made liberalism a fixture of American politics and society The End of Reform shows how the liberalism of the early New Deal which set out to repair and if necessary restructure America s economy gave way to its contemporary counterpart which is less hostile to corporate capitalism and more solicitous of individual rights Clearly and dramatically Brinkley identifies the personalities and events responsible for this transformation while pointing to the broader trends in American society that made the politics of reform increasingly popular It is both a major reinterpretation of the New Deal and a crucial map of the road to today s political landscape *Yearbook of International Organizations* Union of

International Associations,2001      **The New Deal and American Society, 1933-1941** Kenneth J. Bindas,2021-11-10 The New Deal and American Society 1933 1941 explores what some have labeled the third American revolution in one concise and accessible volume This book examines the emergence of modern America beginning with the 100 Days legislation in 1933 through to the second New Deal era that began in 1935 This revolutionary period introduced sweeping social and economic legislation designed to provide the American people with a sense of hope while at the same time creating regulations designed to safeguard against future depressions It was not without critics or failures but even these proved significant in the ongoing discussions concerning the idea of federal power social inclusion and civil rights Uncertainties concerning aggressive nationalistic states like Italy Germany and Japan shifted the focus of FDR s administration but the events of World War II solidified the ideas and policies begun during the 1930s especially as they related to the welfare state The legacy of the New Deal would resonate well into the current century through programs like Social Security unemployment compensation workers rights and the belief that the federal government is responsible for the economic well being of its citizenry The volume includes many primary documents to help situate students and bring this era to life The text will be of interest to students of American history economic and social history and more broadly courses that engage social change and economic upheaval      *The New Deal, what was It?* Morton Keller,1963      **New Deal Or Raw Deal?** Burton W. Folsom,2008-11-04 A revisionist perspective on FDR s presidency and the New Deal argues that such government programs as social security minimum wage and farm subsidies didn t work in the 1930s and do not work now in a critical report that traces many modern problems to the FDR administration      **The New Deal** Stephanie Fitzgerald,2006-07 Discusses America on the brink of economic disaster and how Franklin Roosevelt promised a new deal for America

## Reviewing **E2020 Us History The New Deal**: Unlocking the Spellbinding Force of Linguistics
