Each Slow Dusk Modern Plays:

Text and Performance in Contemporary British Theatre Catherine Love, 2023-02-27 Text and Performance in Contemporary British Theatre interrogates the paradoxical nature of theatre texts which have been understood both as separate literary objects in their own right and as material for performance Drawing on analysis of contemporary practitioners who are working creatively with text the book re examines the relationship between text and performance within the specific context of British theatre The chapters discuss a wide range of theatre makers creating work in the UK from the 1990s onwards from playwrights like Tim Crouch and Jasmine Lee Jones to companies including Action Hero and RashDash In doing so the book addresses issues such as theatrical authorship artistic intention and the apparent incompleteness of plays as both written and performed phenomena Text and Performance in Contemporary British Theatre also explores the implications of changing technologies of page and stage analysing the impact of recent developments in theatre making editing and publishing on the status of the theatre text Written for scholars students and practitioners alike Text and Performance in Contemporary British Theatre provides an original perspective on one of the most enduring problems to occupy theatre practice and scholarship Notes from a Working-Class Playwright Leo Butler, 2025-10-30 Award winning British playwright Leo Butler looks back over 25 of writing for the stage and his extensive experience teaching and mentoring emerging playwrights through the Royal Court Young Writers Programme With honesty and humour Leo Butler shares his experiences from his working class upbringing in Sheffield including his disastrous state education his years on the dole to his breakthrough into the professional theatre industry This personal account criss crosses his life and career exploring the influences and experiences that informed critically acclaimed plays such as Redundant I ll Be the Devil Lucky Dog and more recently Boy Throughout Butler includes a wealth of tips and practical exercises tried and tested on his students to help the reader with their own playwriting development discusses the challenges of how to actually make a living from this work and considers how the landscape has changed today from 25 years ago Through recollections of collaborations with professional peers and ex students including Polly Stenham Anya Reiss and Nick Payne Leo Butler gives an insight into the intricacies of the early 21st century theatre scene in which playwriting skills were developed and shared He also includes excerpts from personal rejection letters rehearsal notes and his notebooks to bring his playwriting journey to life Brutally honest often surreal often funny this book will entertain and inspire anyone who has ever thought of writing a play or is interested in the life and practice of a playwright **Ukrainian New Drama after the Euromaidan Revolution** Natal'ya Vorozhbyt, Anastasiia Kosodii, Natalia Blok, Andrii Bondarenko, Maksym Kurochkin, Kateryna Penkova, Olha Matsiupa, Lena Lagushonkova, 2023-09-07 Ukraine s remarkable aptitude for resilience and grassroots activism as witnessed since February 2022 is closely connected to a process that began with the Euromaidan Revolution in 2013 14 when over two million Ukrainians took to the streets in defense of democracy and human rights In the months directly following the

Revolution Russia illegally occupied Ukraine's Crimean Peninsula and began funneling both arms and troops into the eastern region of Donbas to fuel a conflict between the Ukrainian army and a small group of radical separatists. Since that time Ukrainians have been working diligently to build the society in which they have wanted to live all while fighting Russia and its proxies in Europe's forgotten war. Ukrainian New Drama After the Euromaidan Revolution brings together key works from the country's impressively generative post-Revolutionary period; many of them published here in English for the first time. As well as established voices from the European theatre repertoire such as Natalya Vorozhbyt and Maksym Kurochkin, this collection also features iconic plays from Ukraine's post-Maidan generation of playwrights: Natalya Blok, Andrii Bondarenko, Anastiia Kosodii, Lena Lagushonkova, Olha Masiupa, and Kateryna Penkova. Considered together, these plays reflect the diversity of voices in Ukraine as a country seeking to comprehend both the personal and political consequences of the Revolution, the war, and all that has come since. A key element to the remarkable culture of defiance and resistance that Ukrainians created in these years has been new approaches to arts activism, particularly in the performing arts. In the eight years between Euromaidan and the full-scale invasion, Ukraine witnessed an incredible boom in socially engaged performance practice. Playwriting in particular has become an essential genre through which artists have sought to bear witness to the repercussions of the war and to create spaces for the reclaiming of historical and cultural narratives. Ukrainian New Drama After the Euromaidan Revolution captures this spirit and published this necessary and vital work in English for the very first time.
