The Village in Antiquity and the Rise of Early Christianity Alan Cadwallader, James R. Harrison, Angela Standhartinger, L. L. Welborn, 2023-12-28 A complete geographical and thematic overview of the village in antiquity and its role in the rise of Christianity The volume begins with a state of question introduction by Thomas Robinson assessing the interrelation of the village and city with the rise of early Christianity Alan Cadwallader then articulates a methodology for future New Testament studies on this topic employing a series of case studies to illustrate the methodological issues raised From there contributors explore three areas of village life in different geographical areas by means of a series of studies written by experts in each discipline They discuss the ancient near east Egypt and Israel mainland and Isthmian Greece Asia Minor and the Italian Peninsula This geographic focus sheds light upon the villages associated with the biblical cities Israel Corinth Galatia Ephesus Philippi Thessalonica Rome including potential insights into the rural nature of the churches located there A final section of thematic studies explores central issues of local village life indigenous and imperial cults funerary culture and agricultural and economic life

Who Were the First Christians? Thomas Arthur Robinson, 2017 Challenges the consensus view of the urban character of early

Christianity Demonstrates that almost every scenario in reconstructing early Christian growth is mathematically improbable and in many case impossible unless a rural dimension of the Christian movement is factored in Points to the likelihood that the marginal and the rustic made up a larger part of its membership than is generally recognized

Missionary Monks Edward L. Smither, 2016-12-02 Missionaries go into all the world and make disciples of all nations while monks live cloistered in a monastery and focus their lives on prayer and studying Scripture correct Not exactly When we study the history of Christian mission especially from around 500 to 1500 CE the key missionaries that we constantly encounter are monks In fact if we don't have monks in this period then we have very little in the way of Christian mission Our aim in this book is to examine the phenomenon of missionary monks those who pursued both a monastic and missionary calling We will meet the monks and monastic orders narrate their journeys in mission and evaluate their approaches to and thoughts about mission
