A Century of Air Power Dave Sloggett, 2013-07-18 An extensive history of the first century of aerial warfare covering the every major conflict including the two world wars No other technical development since the introduction of gunpowder has had as great an influence on warfare as the aircraft From its early beginnings as simply a means of aerial reconnaissance to its utter supremacy on the battlefield the aircraft has evolved into the most versatile and precise killing machine known to man In this wide ranging and comprehensive study David Sloggett an internationally respected defence analyst investigates the changing role and increasing significance of air power over the course of the previous 100 years This is accomplished by detailing every major conflict during that period including not only the two world wars and the recent conflicts in the Middle East but also the Korean War the Cuban Missile Crisis the Falklands War and Russian use of air power in Afghanistan Air power s role in Malaya Oman Kenya and in Northern Ireland is also explained A Century of Air Power is the most important study of the use of military aircraft ever undertaken and as such provides valuable lessons for the future not only for the commanders who have to apply these all powerful weapons but also for the politicians who have to determine its use The Contemporary Review ,2011

**Victory '45** James Holland, Al Murray, 2025-07-29 On the 80th anniversary of the end of World War II two acclaimed historians chronicle the remarkable stories behind the surrenders that ended the world s most catastrophic global conflict In May 1945 and then again in August and early September the seemingly endless World War II finally came to a close in eight dramatic surrender ceremonies six in Europe and the last two in Japan On the 80th anniversary of those historic events celebrated historians James Holland and Al Murray chronicle them in turn focusing especially on the human dramas behind each surrender and relating stories and perspectives on the end of the war that have not previously been told Germany s armies submitted to the Allies in four ceremonies between May 2 and May 9 the latter after considerable delays by the Germans and threats from General Dwight D Eisenhower Supreme Allied Commander Japan then finally conceded only after the bombing of Hiroshima and Nagasaki initially on August 15th and then in a formal ceremony aboard the USS Missouri on September 2 Holland and Murray focus on specific characters participating in each of these world changing events from ordinary servicemen and women and civilians to generals and political leaders The saga of the first German surrender in Italy revolves around senior SS general Karl Wolff s personal battle to save his own neck and involves VIP prisoners locked up in a resort in South Tyrol art theft money laundering and the resistance of other German commanders to give up The German surrender to the Americans on May 5 follows the fortunes of private Alan Moskin from New Jersey whose 6th Infantry Regiment found themselves liberating Gunskirchen one of Mauthausen s sub concentration camps the terrible reality of which affected the rest of his life The stories surrounding the war s end are in their own way as dramatic as the strategy and battles themselves As Holland and Murray make clear they add greatly to our understanding and appreciation of World War II and its legacy Bomber Command Max Hastings Sir, Max Hastings, 2013-09-09
