Pinkertons, Prostitutes and Spies John Stewart,2019-07-12 Hattie Lawton was a young Pinkerton detective who with her partner Timothy Webster spied for the U S Secret Service during the Civil War Working in Richmond the two posed as husband and wife A dazzling blonde from New York and a handsome Englishman both with checkered pasts they were matched in charm cunning duplicity and boldness Betrayed by their own spymaster Allan Pinkerton they fell into the hands of the dictator of Richmond the notorious General John H Hog Winder This lively history scrupulously researched from all available sources corrects the record on many points and definitively answers the long standing question of Hattie Lawton s true identity     The Afterloch Spinnaker Weddington,2013-12-10

The Afterloch is the second narrative collection of the Unleash The Loch series Primarily mental philosophy it establishes a narrative which exists mostly in the minds of those who are stuck in situations without knowing what has happened Cursed or blessed with unconsciousness and a lack of being able to immediately remember and reflect upon where they have been and what has happened to them very little communication and incidence ensues and they all end up somewhat trapped in the philosophical mentalities they are snagged into by being void of any connection to any true fictional reality If no thing much is happening all they can really do is think and think they do but much of their inner lives is philosophy religion and social judicial histrionicism Essentially nothing is really happening in terms of conversation and incidence But what unravels is how even when seemingly nothing is happening so much can be happening inside peoples minds Moreover something is happening in terms of their contexts More a concourse of philosophy and thinking than any true narrative entertainment what unravels stands in difference to the consistent fictional element of the earlier book and predicates a somewhat sinister expos on the problems of living a life in the mind At bottom if fiction is not happening philosophy is And if such is in somewhat uncomfortable situations fanaticism is bred     **The Breach of Reality**

Leon Harris, 2017-09-26 In The Holy Spirit as Communion Leon Harris examines the pneumatologies of Colin Gunton and Frank Macchia For both theologians the doctrine of the Holy Spirit is foundational to understanding their doctrine of God Christology and ecclesiology Drawing on the theme of communion The Holy Spirit as Communion expresses the concept that the Holy Spirit is the person who perfects the divine nature and personhood of the Father and Son It is the Holy Spirit who perfects the eternal communion within the divine Trinity which is the source of the divine action that also perfects the communion in creation as an expression of the Father's will through Jesus Christ The Holy Spirit as Communion explores the essentiality of the Holy Spirit through a unique approach to Spirit Christology Gunton is represented by a radicalized version of Chalcedon Christology and Macchia formulates his account through the overarching metaphor of Spirit baptism Therefore the doctrine of God Christology ecclesiology and eschatology cannot be construed without a proper account of pneumatology that takes into consideration the eschatological perfecting work of the third person of the Trinity who perfects creation's koinonia as a gift from the Father through the grace of Jesus Christ **Bonded for Eternity** Marlene Monroy, 2009 When visiting a wolf sanctuary a little girl and two twin boys become bonded by some miracle from God to a large grey wolf This animal becomes their protector He warns them and their family members of oncoming dangers He continues to protect the children as they grow up and face danger and even death in the present war with Iraq **The Convuluted Mind of a Poet and Essayist** Howard Leff, 2021-03-23 This work is the accumulation of the writing done over the years that is provocative and meant to inspire people to think out of the box and be the best at everything that they do Subjects range from Dedications Concepts Love Names Nature and thirteen essays of yesterday tomorrow and the future **A Rosary of Poems: Indivisibility of Samsara and Nirvana** Alex Dieppe, 2025-02-21 One hundred and one poems of all kinds from religious to modern themes Others relay the childhood memories of the author in a small town setting to urban environment family relations and feelings that can be related to many people This is a dual language version by the author in Vietnamese the author's home country and English **Insulation/circuits**, 1968 Includes a special annual issue Insulation
