All bottles must be empty to enter Centeroo including water. Only snacks allowed into Centeroo (granola bar yes, pizza no) Totems can not exceed 6 feet, and no thicker than 1/2 inch. Must be made of light material: swim noodles, foam type material, cardboard tubes, fabric, paint, string, yarn, light plastic, balloons and/or blow up items. Totems made of wood, metal and/or PVC material will NOT be allowed. This includes flag poles and heavy sticks.

## ENTERING THE TOLL BOOTH AND CAMP GROUND

You just waited in line between 1-3 hours and you have reached the Toll Booth. If you are traveling with friends in a separate car don't worry if you get split up. Listen to the workers. Have your wrist band on, Car Pass sticker in window, and be ready to get out of the car while workers search it. When workers give you the ok to move on pull into area a couple yards away from toll booth and find your friends in that separate car fast. When you find your friends have car #1 tell worker that car #2 is with you and they will make sure you are camped together. (NOTE: the more cars you have with you the further away you will be from Centeroo). When you have parked your car immediately start unpacking because the workers will pack you in like sardines. When you pack your car at home put tarps, canopies, and anything else you want out right away in last so you can get them out first when arriving to the camp ground.
