Waggoner,2009-10-01 The books of Obadiah and Jonah can be read in just ten minutes Yet these two books written nearly three thousand years ago by two very different Hebrew prophets address attitudes and actions that we struggle with even today The valuable lessons the ancient writers have for people of the twenty first century truly make them prophets for our time Prophets for Our Time strikes a balance between scholarly study and practical exposition to bring these two prophetic books alive for modern readers The result is a practical readable book that clearly explains the meaning of the biblical text Maps charts and suggestions for personal application and further study enhance the value of the book making it a very useful tool for personal and group study **Notes on the Prophecy of Obadiah** H. Ironside,2016-04-02 IN one chapter God has embodied for us such part of the ministry of Obadiah the prophet as He foresaw would be for our admonition and edification Brief as it is its twenty one verses are fraught with needed instruction and may well be laid to heart by each saint of the Lord Who Obadiah was where he was born of what tribe and family in Israel his occupation and the exact time in which he lived all these are matters which God has not been pleased to reveal There was Obadiah in the court of king Ahab of whose care for the persecuted prophets of the Lord we have knowledge but he is not to be confounded with the writer of the little book now before us Other Obadiahs are briefly mentioned in 1st and 2nd Chronicles but whether any of them is identical with the prophet we have no means of determining nor is it at all important that we should know It is the message not the bearer of it that God would occupy us with *Obadiah* King James,2019-06-12 This keepsake edition of The Book of Obadiah was taken from the King James translation of the Bible The King James Translation is a masterwork of style and the most important book in the English language it has been the driving force in shaping the English speaking world for
