Revelation Chapter 12:

What in Heaven and on Earth Is Jesus Doing? James Mann, 2018-08-09 Revelation is about the Lord Jesus Christ of the past present and future events Jesus is called the Beginning and the Last of all history On page 6 I have provided a puzzle as an outline to all of Revelation Study guides after commentaries for each chapter provide answers to difficult verses All attempts for practice applications are made for believers and warnings to those in doubt of God's stated future End Time Signs Kurt B. Bakley, 2012-07-27 Will Israel and the U S be destroyed or partially destroyed in 2012 2019 or 2026 2030 and beyond and Muslims Catholics and communism take over most of the world Were there strange things going around the sun the moon changing degrees and phases stars that aren't where they suppose to be and the magnetic poles changing mostly reported secretly in 2001 2011 Did NASA or scientists and astronomers brush the pictures of them away so not to scare people Did the Bible Code predict strange behavior of the moon in 2011 Will a great tidal wave hit the U S East Coast in 2012 2019 and Yellowstone Park super volcano erupt or a comet or asteroid hits the earth or Ocean in 2026 2030 and utterly destroy the entire United States if it still around after the war of 2012 2019 Will the Muslims communism and Catholics persecute Christians Americans and Jews all over the world bringing them before Kings and have them sent to prisons and torture and killed if they don't deny Christ and convert to Islam Will Muslims and people all over the world begin to mock and scoff at Christians and the Bible because Israel and the U S are destroyed and no Rapture or end or Second Coming of Christ happened Several of the Bible prophecies predict God will not make a full end of the U S Israel and the world at this time and pockets of people and nations may or may not survive God may save the U S Israel and the world if the people repent and turn from their sins and begin to humble themselves and heed the harbingers But if they don't then these events may start to happen This book was written by June 12 2012 The Experiment at Philadelphia Kurt B. Bakley, 2016-08-29 The Experiment at Philadelphia Did Einstein discover God If God created all things then who Created God What Was and Happened Before the Big Bang The Philadelphia Experiment was Einsteins experiment in which he had not only discovered in 1943 the way to make things invisible and transport them at great speeds but also positively proven scientifically physically and spiritually that the Almighty God exists He had literally discovered God That question is there a god That's been going through peoples minds for so long was discussed on the street corner talked about on the porch on a hot summers night and is now a proven fact Yes there is a god Did Einstein in the Philadelphia Experiment make contact with UFO beings who gave him advance knowledge of all things which Einstein later destroyed fearing what the world would do with that knowledge Are the first fourteen chapters of this book about the advance knowledge Einstein received Does it reveal the deepest darkest secrets of God and Satan and how the universe works Does it answer these questions Many have asked since the beginning of the world Which is known as the mystery of God Why am I here Whats the true meaning of life How was everything created Who are God and the devil If God created all who created God If he is the first in creation where and how did he

come into existence Why does God allow evil in the world Why do good things happen to bad people and bad things to good people Why if we all came from Adam and Eve who were Jewish are there Gentiles Are Gentiles children of devils Is that why the Jews are God's chosen race Why in the Garden of Eden was the knowledge of good on the tree forbidden How old is the earth Why is God known as the Trinity Why have religions down through the ages done such evil What when and how did the big bang start What happened to Satan Who is he really and what did he do in the past What are his beliefs and ways What is he and God literally made of What is the meaning of the great pyramids and the sphinx Is there scientific proof that God exists Read this whole book for the answers to all these tough questions and be sure to read the introduction first before reading the rest of this book It will help you better understand this whole book **Revelation 12** Mark England, 2023-06-19

The Amplified Bible clearly says that Revelation chapter 12 verse 1 warns of an ominous and frightening FUTURE EVENT However in the study notes of the same Bible they ignore that it is a future event and teach that these were events from the past Their study notes say these verses speak of the Old Testament Patriarch Jacob his wife Rachael the nation of Israel giving birth to Jesus and the ascension of Jesus to heaven after his resurrection So they are saying these future prophetic events symbolize things that already happened in the past What happened to their ominous future event Is it acceptable to use historical events to interpret future prophecies and void their future application Is this a series of prophetic future events or not If we take scripture literally no interpretation is required the future is the future and the past is the past The Apostle John heard a voice like a trumpet that said everything that follows after Revelation chapter 4 verse 1 is a future event So who should we believe John or the Amplified Bible study notes My vote is for the Apostle John The Amplified translators are not alone traditionally this is how most Christians read this portion of the scriptures But the truth does not come by tradition consensus or majority rule Among other things truth is the word of God rightly divided We will go over the traditional viewpoints with all their objections Again remember that everything is a future event from Revelation chapter 4 verse 1 until Revelation chapter 22 verse 21 The Patriarchs Mary and Jesus resurrection are all history and not the fulfillment of future prophetic events There is only one scenario of future events where the woman man child Dragon and remnant exist simultaneously and that is by taking the text literally as written The original text gives a specific time frame for all these characters to be together during the same time to fulfill these events As we proceed we will demonstrate that the scriptures describe the time frame as just before the rapture until the middle of the tribulation That is the only time frame for these four characters to interact in Revelation chapter 12 We will now connect the dots identify the parties involved and present our evidence We are in the end times our world is changing quickly to line up with Bible prophecy Jesus said the signs of his return would be like birth pangs growing globally in intensity and frequency We see those signs happening weekly in real time with wars and rumors of war as nations struggle for dominance supply chain and food shortages financial calamities and natural disasters all leading to global tyranny and loss of freedom There will be global persecution of Christians and Jews and

it s not a question of if but when There will also be a great falling away from Christ and we can see it already So called churches are becoming sexually immoral politically woke and in bed with the government As more churches go apostate or get shut down true believers may have to find or create small groups for fellowship While we have time and freedom we should study the scriptures share the gospel and watch for Jesus to return This book is part of a series of studies that all Christians should know and teach We call it the toolbox series because these studies are tools to equip you to share your faith with others For free resources and study materials visit our website at Ears2Hear online **Exposition of Heavenly**
