reflects the complexity and expertise needed to practice emergency medicine successfully in today s fast paced environments
It is an important contemporary clinical emergency care resource for physicians NPs and PAs who practice emergency

excellent text that manages to cover the broad scope of emergency medicine while remaining an easily readable and
practical resource Last for the inevitable comparison of this current edition of Tintinalli s Emergency Medicine with other
available emergency medicine textbooks available in my opinion Tintinalli s still comes out on top It is more concise and
easier to read than some yet it covers the breadth of emergency medicine practice more comprehensively than others Just as
previous editions did the seventh presents all of the most pertinent and up to date information in a well organized format that
