the same dark shadows experience the same emotions and have come out the other side wounded yet still standing On Angels Wings is a frank stark and very personal journey of one man struggling to deal with the terrible loss of his son It is a rare glimpse of a man struggling with the stoic provider model he must break free from to be completely human and to experience the grief most hold inside in a quiet rage Through one s ability to deal with his humanness and weakness others particularly men will see a window to healing We are not alone On Angels Wings will provide comfort to those grieving a loss by allowing for a glimpse into the head and heart of another dealing with the worst of all parent s nightmares To simply see that others deal with the same feelings of guilt anger rage and sorrow will help in the healing after the loss Justin Matott
