The Krinar Exposé Anna Zaires, Hettie Ivers, 2018-11-13 What happens in an alien sex club stays in an alien sex club right Well not if you pen an expos on the place And certainly not if you omit the fact that the experiences in the article are your own Or if the Krinar you ve hooked up with is the club s owner whose many kinks involve blackmail and mind games For a young journalist out to prove herself it s all

about landing the next big story Until it becomes all about landing in a possessive alien s penthouse bed Note This full length novel combines two previously published works The X Club a short story by Anna Zaires and Vair the sequel written by Hettie Ivers It also contains an all new expanded ending and an epilogue featuring Mia Korum *The Krinar Captive* Anna Zaires,Dima Zales,2016-10-25 A new standalone romance from the New York Times bestselling author of Twist Me and The Krinar Chronicles Emily Ross never expected to survive her deadly fall in the Costa Rican jungle and she certainly never thought she d wake up in a strangely futuristic dwelling held captive by the most beautiful man she d ever seen A man who seems to be more than human Zaron is on Earth to facilitate the Krinar invasion and to forget the terrible tragedy that ripped apart his life Yet when he finds the broken body of a human girl everything changes For the first time in years he feels something more than rage and grief and Emily is the reason for that Letting her go would compromise his mission but keeping her could destroy him all over again NOTE This is a full length standalone romance that takes place approximately five years before The Krinar Chronicles trilogy aka Mia Korum s story You do not have to have read that trilogy to enjoy this book **The Krinar Exposé** Anna Zaires,Dima Zales,2018-11-13 **Close Liaisons** Anna Zaires,2013-02-03 Demo http://youtu.be/YfUNCwJT_Wo Regular version of the book <https://www.createspace.com/4021797> Effect A best selling sci fi romance novel paperback is presented for a book test Performer states that in order to get a completely random image a book might come in handy Ordinarily people tend to think of a finite list of things For example a house The performer highlights the ordinary nature of the book He optionally even asks if anyone wants to use their own book if so he will do a Hoy book test with the book provided With a spectator chosen and the book provided the spectator is asked to first examine the book Once they are happy with the book the spectator is asked to think of any page in the book mentally without saying it out loud The performer mentions that even if he memorized the whole book without knowing a page number that memorization would be useless The spectator is instructed to open the book to the page he is thinking of and read the first complete sentence He is warned that the book might have some erotic content and if that sentence is embarrassing he is to choose another When the sentence is chosen he is asked to re read it silently He is to focus on the sentence and if possible on a word that is easy to picture The book is put away The performer draws his impression Afterwards he asks what image is in the person s mind The spectator is asked to draw it in the air or to just say the sentence or the easy to picture word depends on the presentation It turns out that the performer s impression is spot on The book can be now given away as a souvenir the performer switches it for the much less expensive real book since he can get it for this purpose in bulk at decent prices Bare bones presentation Book is introduced Its existence on Amazon and other stores is highlighted Person thinks of a page turns to it with the performer facing away The person is then told to read the first full sentence on that page to himself herself Person focuses on the sentence and then on a word that is easy to picture in the sentence Performer faces away all the time draws a heart and then reveals the heart to the person and the audience Method You use a book that is gimmicked in a way It is a version of a

real novel but one where sentences were written in on the beginning of each page first full sentence to contain the word heart These sentences fit the story perfectly In fact they were edited by Anna Zaires the author of the actual novel Thus the book can be examined very closely before the effect After the effect however I strongly recommend putting the book out of sight and or switching it for the original un gimicked version I usually give away a copy of an un gimicked book at every performance My switch is super simple as part of the presentation I have the book put into a bag Then when I do the giveaway I give away the real u ngimicked version I have also used switch bags and other method for switching During a formal show no one ever asks to examine the book after the effect but during close up they sometimes do and I use one of the methods mentioned Subtleties This book has sexual content think fifty shades of gray so I often say if the page you open to happens to have something embarrassing on it just choose another This emphasizes the freedom of choice of page and how regular the book is why would you ever put sex scenes into a trick book When drawing the heart I first often draw something that looks like heart rate monitor output It helps disguise what I am drawing plus it can be part of the revelation because very many sentences in the book deal with heart beating faster in some way I put a period after Volume I on page 1 of the gimmicked book for easy way to check which of the 2 I am holding

Mia & Korum (The Complete Krinar Chronicles Trilogy) Anna Zaires,Dima Zales,2014-01-19 He started off as her enemy and became her everything Like most humans NYU student Mia Stalis knows little about the beautiful mysterious invaders who ve taken over Earth Rumors about them abound about their impossible strength and speed their intentions toward Earth their vampiric tendencies None of it concerns Mia though until she catches Korum s eye Powerful and terrifyingly seductive the Krinar leader will do anything to possess her and no human law can stop him Helplessly drawn to her magnetic captor Mia is plunged into the dangerous secretive world of the Ks and forced to choose between truth and lies her people and her lover her freedom and her heart NOTE This is the complete Krinar Chronicles trilogy containing Close Liaisons Close Obsession and Close Remembrance

Swept Away Anna Zaires,Dima Zales,2016-04-19 When Delia sees the naked man emerging from the stormy sea she knows he must be more than human Gorgeous and powerful the god like stranger saves her from certain death but his rescue comes at a price herself Note Swept Away is a novelette short story of approximately 8 000 words 50 print pages set in the world of the Krinar Chronicles It s about the start of Arus Delia s relationship in Ancient Greece It can be read as a standalone or after the Krinar Chronicles trilogy

Close Remembrance (The Krinar Chronicles: Volume 3) Anna Zaires,Dima Zales,2013-09-05 Book 3 of a completed trilogy from a New York Times bestselling author The stunning conclusion to the 1 international bestselling sci fi romance trilogy When a ruthless enemy finally strikes Mia and Korum will face the biggest test of their relationship yet But it s Korum s own secrets that may ultimately tear them apart From the beaches of Costa Rica to a planet in a distant galaxy theirs is a love story that may change the world

The Krinar Exposé--A Krinar Chronicles Novel Anna Zaires,2018 What happens in an alien sex club stays in an alien sex club right Well not if you pen an expos on the place And certainly not
