Closing Date For Midlands State University:

The End of an Era? Robert Mugabe and a Conflicting Legacy Mawere Munyaradzi, Ngonidzashe

Marongwe, 2018-09-17 Arguably one of the most polarising figures in modern times has been Robert Gabriel Mugabe the former President of the Republic of Zimbabwe The mere mentioning of his name raises a lot of debate and often times vicious if not irreconcilable differences both in Zimbabwe and beyond In an article titled Lessons of Zimbabwe Mahmood Mamdani succinctly captures the polarity thus It is hard to think of a figure more reviled in the West than Robert Mugabe and his land reform measures however harsh have won him considerable popularity not just in Zimbabwe but throughout southern Africa This together with his recent stylised ouster speaks volumes to his conflicted legacy The divided opinion on Mugabe's legacy can broadly be represented first by those who consider him as a champion of African liberation a Pan Africanist an unmatched revolutionary and an avid anti imperialist who literally spoke the truth to Western imperialists On the other end of the spectrum are those who seemingly paying scant regard to the predicament of millions of black Zimbabweans brutally dispossessed of their land and human dignity since the Rhodesian days have differentially characterised Mugabe as a rabid black fascist an anti white racist an oppressor and a dictator Drawing on all these opinions and characterisations the chapters ensconced in this volume critically reflect on the personality leadership style and contributions of Robert Mugabe during his time in office from 1980 to November 2017 The volume is timely in view of the current contested transition in Zimbabwe and with regard to the ongoing consultations on the Land Question in neighbouring South Africa It is a handy and richly documented text for students and practitioners in political science African studies economics policy studies development studies and global studies

Do 'Zimbabweans' Exist? Sabelo J. Ndlovu-Gatsheni, 2009 This book examines the triumphs and tribulations of the Zimbabwean national project providing a radical and critical analysis of the fossilisation of Zimbabwean nationalism against the wider context of African nationalism in general The book departs radically from the common praise texts in seriously engaging with the darker aspects of nationalism including its failure to create the nation as people and to install democracy and a culture of human rights The author examines how the various people inhabiting the lands between the Limpopo and Zambezi Rivers entered history and how violence became a central aspect of the national project of organising Zimbabweans into a collectivity in pursuit of a political end

Confronting Security and Privacy Challenges in Digital Marketing Pires, Paulo Botelho, Santos, José Duarte, Pereira, Inês Veiga, Torres, Ana Isabel, 2023-07-10 Marketing and specifically its digital marketing component is being challenged by disruptive innovations which are creating new unique and unusual opportunities and with the emergence of new paradigms and models Other areas of knowledge have embraced these innovations with swiftness adapting promptly and using them as leverage to create new paradigms models and realities Marketing in clear opposition has been somewhat dismissive ignoring the potential of these new contexts that are emerging some of which are already unavoidable Confronting Security and Privacy Challenges in Digital Marketing

identifies the most relevant issues in the current context of digital marketing and explores the implications opportunities and challenges of leveraging marketing strategies with digital innovations This book explores the impact that these disruptive innovations are having on digital marketing pointing out guidelines for organizations to leverage their strategy on the opportunities created by them Covering topics such as blockchain technology artificial intelligence and virtual reality this book is ideal for academicians marketing professionals researchers and more **Budget Estimates for the Year Ending ...
