Closing The Gap Gang Stalking:

Closing the Gap gmb bailey,2010-08-30 Closing The Gap takes a deeper look into the Gang Stalking phenomenon and how community notification programs are being used and abused to destroy the lives of innocent citizens These programs are being used to create a system of state control and conformity The citizens of democratic countries have been mobilized as weapons for the state They are being used as a clearing house for those who the state see as unfit and undesirable The state in every community workplace and most families have created a disturbing interconnected system of surveillance and control Once targeted the person in question is blacklisted Then those around the target are categorically enlisted into the states monitoring supervision and annexing of the target **Satana Central** Scott Barry,2018-08-22 This is a collection of my blog full of a bunch of random garbage posts of nonsense about random political and other stuff Also a decent self help book
