Background information about the company is presented in the appendix to this text. In addition, Josh has discovered the following facts and has requested your help to document and assess the factors that affect the client acceptance decision.

- The Finance Director of Cloud 9, David Collier, is married to a distant relation of PS Nethercott, a partner in W&S Partners' consulting department.
- The consulting department at W&S Partners has tendered for an IT installation project at Cloud 9. The fees from this project, if the tender is successful, would be twice the size of the audit fee.
- A survey of audit staff at W&S Partners has revealed that 30 per cent have purchased Cloud 9's products (basketball shoes or workboots) in the past.
- Four members of the IT department at W&S Partners have shares in retailers that sell Cloud 9's products. In each case, the shareholdings were disclosed on the firm's financial interests register and the size of the shareholding is deemed material under W&S Partners' ethical guidelines.
- An article in a newspaper published in the United States has claimed that Cloud 9 Inc. (Cloud 9's parent company) was secretly running 'third-world sweat shops'. The article alleged that shoes made by other wholly owned subsidiaries of Cloud 9 Inc. in China and Brazil were using illegal child labour in factories that did not meet local health and safety rules. Cloud 9 Inc. has vehemently disputed the accuracy of the article, suggesting it was planted by a rival company. Cloud 9 Inc. has invited international advocacy groups to visit its factories at any time.
