Long term care settings are highly regulated environments where the emphasis historically has been on compliance Many

misconceptions persist about practice in nursing homes and these go largely unaddressed within nursing education programs. Herein lies one of the significant barriers to improving nursing home care. Practice Leadership in Nursing Homes dispels many misconceptions and provides a foundation for clinical practice in a unique exciting setting illustrating how high quality nursing care can result in positive resident outcomes. This book challenges educators and students to look beyond incorrect perceptions and negative attitudes to see a vibrant growing healthcare sector ripe for nurses to make an impact and build rewarding careers. Expert authors cover the following and more: Comprehensive care planning Models of care delivery Common geriatric syndromes Staff development and training Nursing home financing and regulatory information.

ABOUT THE AUTHORS JoAnne Reifsnyder PhD MSN MBA RN FAAN is Professor Health Services Leadership and Management at the University of Maryland School of Nursing. Effective Management of Long-Term Care Facilities Douglas A. Singh, 2021-11-10 Effective Management of Long Term Care Facilities Fourth Edition examines the complex operations of the long term care facility and offers critical skills to current and future long term care administrators for delivering quality cost effective services. An excellent resource for both new and seasoned long term care managers, this logically organized text begins with an understanding of what long term care is and why it is an integral part of the health care delivery system. It moves on to explore the legal and regulatory parameters and payment constraints within which long term care facilities must be managed, each of the main functional departments that administrators must understand and oversee, and effective

governance and leadership and management of human resources marketing and quality much of which is unique to nursing home administration The final section of the book offers case studies to simulate situations that the administrator is likely to encounter in practice
