## **Co Dependence Healing The Human Condition:**

*Co-Dependence* - Charles L. Whitfield, 1991-09 At last a concise and stimulating book with all the essential features and more about the nearly universal condition of co dependence Bestselling author Dr Charles Whitfield discusses in detail how co dependence is a major manifestation of being an adult child of a dysfunctional family and provides specific psychotherapeutic and recovery methods to help heal its wounds *Co-Dependence Healing the Human Condition* Charles Whitfield, 2010-01-01 Of all the books on the often misunderstood concept of co dependence this is probably the clearest most complete and informative Charles Whitfield is a frontline clinician who has been assisting co dependents in their healing for over twenty years He has researched the literature on co dependence which he summarizes in this widely read book He sees co dependence as a way to more accurately describe the painful and confusing part of the human condition In careful detail he describes just what co dependence is and what it is not how it comes about and how to heal its painful aftereffects

*Understanding Codependency, Updated and Expanded* Joseph Cruse, Sharon Wegscheider-Cruse, 2012-06-05 The groundbreaking book *Understanding Co Dependency* ushered in a new way of thinking about codependency and helped millions of people discover if they were co dependent if they were living with a co dependent and how to break the cycle Now in this revised edition Joseph Cruse founding medical director of The Betty Ford Center provides findings and insights into codependency Thirty years ago clinicians viewed alcoholism as a liver disease today research has revealed that addiction and many codependent behaviors are related to brain functioning Cruse explores this brain connection and expands on the all important issues of traumas it relates to codependency denial low self esteem and self worth With updated case studies and exercises *Understanding Codependency* dispels the notion that the cycle of codependency can't be broken offering readers a lifeline to the fulfilling relationships and lives they deserve **Heroine Abuse** Thomas Gaiton Marullo, 2015-10-15 Fyodor Dostoevsky's first novel *Netochka Nezvanova* written in 1849 remains the least studied and understood of the writer's long fiction but it was a seedbed for many topics and themes that became hallmarks of his major works Specifically *Netochka Nezvanova* was the first in Dostoevsky's corpus to focus on the psychology of children and the first to feature a woman in a leading and narrative role It was also the first work in Russian literature to deal with problems of the family In *Heroine Abuse* Thomas Marullo contends that *Netochka Nezvanova* also provides a striking example of what psychologists today call codependency the ways often deviant and destructive in which individuals bond with people places and things as well as with images and ideas to cope with the vicissitudes of life Marullo shows how at age twenty eight Dostoevsky intuited and illustrated the workings of relationship addiction almost a century and a half before it became the scholarly focus of practitioners of mental health The moral monsters infernal women children adults and adult children who populate *Netochka Nezvanova* seek codependence in people places and things and in images ideas and ideals to satiate cravings for love dominance and control as well as to indulge in narcissism sexual perversion and other aberrant or alternative behaviors

Indeed in no other work would Dostoevsky examine such phenomena as pedophilia and lesbianism with such abandon Racing from tie to tie bond to bond and caught in a debilitating loop that they claim to detest but sadomasochistically enjoy the characters in Netochka Nezvanova wreak havoc on themselves and the world They do so moreover with impunity their addictions moving them from momentary exultation as self styled extraordinary men and women through prolonged darkness and despair and once again to old and new addictions for physical and emotional release Readers of Heroine Abuse will see Netochka Nezvanova as a timeless model in depicting codependency in the world of the twenty first century as it did in St Petersburg in 1849 Marullo s original work will appeal to scholars and students of Russian and comparative fiction to doctors psychologists and therapists to laymen and women interested in relationship addiction and finally to codependents and relationship addicts of all types
