Cmfmeu 2015 Calendar:

Strike Ballots, Democracy, and Law Breen Creighton, Catrina Denvir, Richard Johnstone, Shae McCrystal, Alice Orchiston, 2020-11-05 International law and most national legal systems recognize the right to strike as a fundamental human right. However, the most common qualification for a strike is that the action must first be approved by ballot. These types of requirements are often said to be necessary to protect the democratic rights of the workers, the so-called democratic imperative. But is that truly their aim? This book draws on detailed empirical study of the Australian legislative provisions for pre-strike ballots, a comparative analysis of law and practice in a range of countries including Canada, South Africa, the United States, and the United Kingdom, and the approaches of the supervisory bodies of the International Labour Organisation to evaluate the true purpose and effect of the ballot requirement. While in some cases the ballot requirement provided additional bargaining leverage for unions, overall the study showed that the principle purpose of ballot requirements is to curtail strikes rather than vindicate the democratic imperative it claims to support. Exploring collective bargaining and union democracy, this is an essential title for those involved in or studying labour law. This book also demonstrates the fundamental shortcomings of ballot regimes and provides an accessible exploration of the operation of said regimes, which makes this a helpful tool for unionists to understand their rights as workers. It also considers significant policy questions in the field and is relevant in the respect of the international labour law regime.

Workers' Capital Bernard Mees, Cathy Brigden, 2020-07-16 Superannuation was once a privilege granted only to company head office staff and career public servants. Now in Australia, nearly all workers have access to employer-contributed superannuation, and it is a fundamental pillar of Australia's retirement income system. Workers' Capital tells the story of the Australian superannuation revolution led by trade unions in the 1980s. After a series of hard-fought industrial campaigns, an enormous financial industry was created involving hundreds of thousands of employers and covering millions of fund members. From having one of the worst retirement savings systems in the developed world in three decades, Australia had one of the best. Now the funds held in Australian superannuation accounts exceed the entire market capitalisation of all the companies on the Australian Stock Exchange. Drawing on interviews with the key players and extensive archival research, Workers' Capital is the first systematic history of the unique Australian system of industry superannuation. Startling and informative, I thought I knew a lot about the industry superannuation phenomenon, but this one took me by surprise. For a topic so important, a real page-turner. Gerard Noonan, Chair of Media Super, former editor of Australian Financial Review.

Construction Law Julian Bailey, 2016-07-15 Now in its second edition, Construction Law is the standard work of reference for busy construction law practitioners, and it will support lawyers in their contentious and non-contentious practices worldwide. Published in three volumes, it is the most comprehensive text on this subject and provides a unique and invaluable comparative multi-jurisdictional approach. This book has been described by Lord Justice Jackson as a tour de force and by His Honour Humphrey Lloyd QC as seminal and

definitive This new edition builds on that strong foundation and has been fully updated to include extensive references to very latest case law as well as changes to statutes and regulations The laws of Hong Kong and Singapore are also now covered in detail in addition to those of England and Australia Practitioners as well as interested academics and post graduate students will all find this book to be an invaluable guide to the many facets of construction law

This is likewise one of the factors by obtaining the soft documents of this **Cmfmeu 2015 Calendar** by online. You might not require more epoch to spend to go to the books commencement as capably as search for them.
