**A Practical Approach to Conveyancing** Robert Abbey, Mark B. Richards, 2017 A Practical Approach to Conveyancing takes a pragmatic rather than academic approach to conveyancing. It provides practical solutions to everyday problems encountered by conveyancing practitioners wishing to offer a cost effective and efficient service. Written by two leading authorities in the area with over sixty years combined legal experience A Practical Approach to Conveyancing offers a detailed and up to date exposition of the key principles and procedures underpinning the conveyancing process. The book provides practical guidance on each stage of commercial and residential conveyances with realistic sample documentation to help you approach all aspects of a conveyancing transaction with confidence. Now in its nineteenth edition this classic text has firmly established itself as a core text supporting LPC students. It is also essential reading for trainee or qualified solicitors, legal executives or licensed conveyancers.

**A Practical Approach to Conveyancing** Robert M. Abbey, Mark B. Richards, 2007 A Practical Approach to Conveyancing takes a pragmatic rather than academic approach to conveyancing. It provides practical solutions to everyday problems encountered by conveyancing practitioners. This ninth edition contains precedent documents, clauses and forms that provide the blueprint for highly effective procedural structures. Checklists and key point summaries have been added throughout the text to make the style more accessible. Detailed information on Home Information Packs ensures that the reader is kept up to date with this new legislation and the text also considers the impact of the new Solicitors Code of Conduct which came into force on July 1 2007. Detailed explanations of the law are accompanied by a number of practical suggestions to help save time and money. The book has established itself as a core text on the Legal Practice Course for students wishing to have a more applied overview of property law and practice. The book is also essential reading for lawyers, their support staff, trainees, licensed conveyancers, legal executives and others involved or interested in the conveyancing process.

**Online Resource Center** The Online Resource Center provides students with specimen forms and links to useful websites while a test bank of questions allows lecturers to test their students' understanding of the topics covered in the book. Lecturers may also access the diagrams from the book in an electronic format suitable for use in lecture slides or other teaching materials.
