Asian Sources Gifts & Home Products ,2004 **The Sales Pit** Chris Mustakas,2025-04-21 There was a time when it felt like the best job in the world The energy of game nights The thrill of the deal The behind the scenes access and the ego stroking perks You felt like a somebody Hell you were a somebody Drinks after work suite nights with clients inside jokes in the sales pit This was the life It was the ultimate dream job Until it wasn't The Sales Pit is a raw unapologetic dive into the underbelly of professional sports sales before mental health mattered before burnout had a name and long before cancel culture called bullshit on toxic behaviour It was an era where bravado was currency vulnerability was weakness and the grind never stopped Toughness wasn't just expected it was required Silence was survival and speaking up could cost you everything This book rips the mask off toxic masculinity burnout culture and the silent suffering of men told to tough it out at any cost It's about the high of the hustle and the crash that inevitably follows The hidden toll of always being on and what's left when the act finally breaks you Nobody warned us about the exhaustion The pressures The fractured relationships and the slow erosion of one's self But what kept most of us going wasn't the titles or the commissions It was each other The late night beers the dark humour and most importantly the found family in the sales pit Because in the end it was never about the deals It was always about the people Real strength wasn't faking it until you made it it was standing together allowing yourself to be vulnerable speaking up and knowing you were not alone anymore Content Warning This book discusses topics related to men's mental health including depression anxiety dark thoughts and suicidal ideation Some readers may find these themes distressing or triggering If you are struggling please consider seeking support from a trusted friend family member or mental health professional Zayn Zayn,2016-11-01 The first and only official book from ZAYN Global superstar ZAYN who just announced his first solo tour Stairway to the Sky shares a photographic journey of his life since leaving One Direction This book is my diary of a period that I would like to share with you all I hope that there are things in the book that contextualise some of the moments and memories we have all shared together There are things I address in the book that are very personal to me things that I have never told anyone things I still find hard to talk about It's a part of a journey I'm still on ZAYN The Instant New York Times Bestseller ZAYN opens up with this collection of thoughts inspiration and never before seen personal photographs After five years of massive success with One Direction ZAYN launched his career as a solo artist with Mind of Mine becoming one of the most successful artists in the world Now for the first time ever ZAYN is going to tell and show all in this intimate and raw scrapbook of his life Never before released photos give readers insight to ZAYN no holds barred Gorgeously designed with hundreds of full color photographs and ZAYN's notes drawings song lyrics and personal stories the book captures ZAYN's most private moments and his candid feelings on fame success music and life The next chapter of ZAYN's evolution into global superstar told by the artist who is living it Reviews for Mind of Mine A singer eager to reclaim the parts of himself that five years in the pop klieg lights forced into the shadows The New York Times

Sonically you won't find many pop albums in 2016 more immaculately conceived than this SPIN Sublime USA Today Malik can sing he's done this before but not like this Rolling Stone A moody deeply textured R B album Los Angeles Times Zayn has clearly achieved his aim of making an album of sexy credible pop R B NME Instrument of the State Benjamin J. Harbert, 2023 Louisiana State Penitentiary is one of the largest and most brutal maximum security prisons in the United States Built on the grounds of a former plantation the prison is commonly referred to as Angola apropos of the country of origin for many of the enslaved people who inhabited the land Despite notoriously inhumane conditions within the prison people incarcerated at Angola have sustained a rich and dynamic musical legacy since the late nineteenth century attracting folklorists such as John and Alan Lomax and Harry Oster Well known musicians including Huddie William Lead Belly Ledbetter Charles Neville and James Booker played a part in this history in addition to a litany of others who proved vital to the prison's musical culture but for various reasons were unable to establish their careers upon release In Instrument of the State author Benjamin J Harbert interweaves oral history and archival research to show how incarcerated musicians find small but essential freedoms by performing jazz R B country gospel rock and fusion throughout the Twentieth Century In doing so he expands folkloric definitions of prison music considering the ways in which music manifests among the incarcerated and the prison's administration as a lens to better understand state power and the fragments of hope and joy that remain in its wake Instrument of the State acts as an indictment of the carceral state highlighting the many ways in which the US penal system disproportionately affects African American people through desperate profiteering of a deliberately underfunded state agency On a Starry Night Kate Hodges, 2020-05-05 The sun has gone down but that doesn't mean that family fun has to come to an end On A Starry Night is an inspiring collection of 52 things to do make and play when there's very little or no natural light and the evenings feel long and empty There's something incredibly alluring about playing after dark for kids it feels grown up exciting and a little bit scary This will include ideas for indoor and outdoor fun things to do in all seasons and ideas that will work whether you live in a city town or country It will inspire parents to go beyond sitting their kids in front of the TV and to take back the night and be creative with their evenings as a family Fun light but with plenty of practical information this book will include checklists box outs and spaces to make notes and scribble It'll be aimed at families but simple enough for older children to read and enjoy **A Fatal Silence** Rachel Amphlett, 2025-02-03 After the music stops the killing begins When the body of a young woman is discovered at an outdoor music festival Detective Kay Hunter's investigation stalls almost as soon as it starts Because the killer has left no trace and the victim's identity is unknown Amidst a media backlash and faced with thousands of potential suspects Kay must piece together the last hours of the woman's life before her killer can escape But when Kay finds out the truth her discovery will shake her investigation team to its core **A Fatal Silence** is the 14th book in the Detective Kay Hunter series from USA Today bestselling author Rachel Amphlett and perfect for readers who love fast paced crime fiction **German Film & Literature**, 2003 **Field**
