Canadian Organizational Behaviour 8th Edition Mcshane:

Canadian Organizational Behaviour Steven Lattimore McShane, Sandra L. Steen, Kevin Tasa, 2014-11

Organizational Behavior in Sport Management Eric MacIntosh, Laura Burton, 2018-04-09

Organizational Behavior in Sport Management fills a gap in sport management literature by exploring the key organizational behavior topics in sport organization settings. The text covers issues such as diversity, ethics, values, behavior, leadership, and much more. Book Features: Organizational Behavior in Sport Management offers the following features: Learning objectives and discussion questions for each chapter that help students conceptualize, retain, and understand the content; Case studies with discussion questions to help students apply the concepts from each chapter; In the Boardroom sidebars that use real-life examples from organizations within the field to highlight key topics; The In the Boardroom sidebars reflect best practices for various levels of numerous sport organizations, affording readers a great range of applications in the sport management world; Instructor Guide. In addition, the text has an online instructor guide that includes chapter objectives, discussion questions from the text, and their answers; discussion questions for case studies and their answers; suggestions for integrating the case studies into lectures; links to recommended websites; assignments; class projects; essay ideas; and lists of suggested readings.

Focus of Book: Organizational Behavior in Sport Management presents classical research in organizational behavior as well as up-to-date knowledge from the field of sport management. The authors offer information on individual, intrapersonal, interpersonal, and organizational processes that are fundamental to working within a sport organization, placing equal emphasis on what managers of sport organizations need to understand about human behavior and what each person brings to the work situation in terms of his or her own attitudes, thoughts, perceptions, and skills. The authors emphasize empowering employees and understanding their needs and desires regarding work, as opposed to managing employees in one particular way. With this in mind, the authors discuss the roles of sport organization administrators and executives, volunteers, employees, and players and coaches of sport teams, exploring how they behave independently as well as how they interact with each other.

An Understanding of Organizational Behavior: Organizational Behavior in Sport Management offers a foundational and contemporary look at the inner workings of sport organizations, providing numerous real-life examples from throughout the country and grounding students in the key behavioral and managerial issues that leaders, managers, and employees in sport organizations face today. As such, this text answers the key questions of why we do what we do at work, why others behave as they do, and how our interpretation of events and behaviors is subject to our own biases. In the process, students will gain an understanding of the most important organizational behavior topics and get a glimpse of how they could successfully function in a sport organization.

Organizational Behavior Steven McShane, Mary Ann Von Glinow, 2017-02-22

Organizational Behavior 8e by McShane and Von Glinow helps everyone make sense of Organizational Behavior and provides the conceptual tools to work more effectively in the workplace. This author duo continues the trailblazing innovations that made the previous
