Casino Loto Quebec En Ligne:

Vice et corruption à Montréal 1892-1970 Magaly Brodeur, 2000 C'ÉTAIT L'ÉPOQUE DE MONTRÉAL VILLE OUVERTE DE MONTRÉAL LA FLAMBOYANTE Les maisons de jeu et les loteries illégales fourmillaient. Pendant que les magnats du crime organisés enrichissaient la ville de Montréal, peinait à boucler son budget. Confronté à d'importants problèmes financiers, qui s'accroissent dramatiquement au cours de la crise économique des années 1930, la métropole dut graduellement faire preuve d'inventivité en matière de fiscalité. La légalisation des jeux de hasard et d'argent repré-senta rapidement un enjeu important pour la municipalité. Après quatre décennies de luttes, le jeu sera finalement légalisé. C'est à partir de l'analyse d'archives municipales, juridiques et journalistiques que Magaly Brodeur lève le voile sur l'époque de la prohibition des jeux de hasard et d'argent au Canada. Elle retrace dans son ouvrage le parcours tortueux ayant mené à la modification de la législation sur le jeu. Grâce à cette étude originale, elle apporte un éclairage nouveau sur plusieurs débats contemporains tels que le rôle de l'état dans la régulation et le management des jeux de hasard et d'argent, la corruption et la lutte contre le crime organisé, les relations entre les divers paliers de gouvernement ainsi que l'épineuse question du financement des dépenses publiques. Un voyage dans le temps au cœur de Montréal n'aura jamais été d'une actualité aussi frappante.

Tabac, alcool, drogues, jeux de hasard et d'argent

Collectif, 2011-10-06T00:00:00-04:00 La consommation de tabac, d'alcool et de drogues constituent des facteurs de risque de multiples problèmes sociaux et de santé. Ils sont responsables respectivement de 12%, 9% et 2% du fardeau de la maladie dans les pays développés. À ces comportements s'ajoute la pratique des jeux de hasard et d'argent, qui maints gardes peut être considérée comme un phénomène de consommation. L'usage et l'abus de ces produits, ainsi que la dépendance qu'ils peuvent engendrer, sont des problèmes complexes et font l'objet de préoccupations de santé publique. On reconnaît de nombreux facteurs communs à ces comportements et des tendances récentes permettent de préciser la concomitance entre eux. La prévention des problèmes causés par ces comportements s'appuie sur les mêmes fondements, vise les mêmes cibles et adopte souvent des approches similaires. Par contre, jusqu'à maintenant, les recherches de même que les approches de prévention ou d'intervention se sont souvent développées et réalisées de façon cloisonnée. Cet ouvrage vise à mettre en évidence les similarités entre ces problèmes pour en arriver à intégrer certaines actions de prévention. Il est le produit d'un collectif d'auteurs qui ont mis en commun leurs recherches, leurs connaissances et leurs préoccupations. Les textes présentent un portrait de chacun de ces phénomènes de consommation et expliquent la concomitance entre eux. Ils analysent les pratiques de prévention et explorent la faisabilité d'une plus grande intégration entre elles. Ils offrent aux chercheurs et aux professionnels qui travaillent en prévention et en promotion de la santé la possibilité de tirer des leçons utiles pour planifier des actions mieux intégrées qu'elles ciblent les individus, les groupes ou les politiques.

Crime de bîne Hélène Thomson, Mélanie

Bouchard, 2025-10-29T00:00:00-04:00 Glisse dans l'univers du true crime québécois et canadien avec Mélanie et Hélène, les animatrices du balado succès *Crime de bîne*. Plonge avec elles au cœur de mystères non résolus d'enquêtes captivantes et de
