Games Without Frontiers? Heather Wardle, 2021-07-16 This open access book focuses on how and why digital games and gambling are increasingly intertwined and asks does this matter Looking at how loot boxes became the poster child for the convergence of gambling and gaming Wardle traces how we got here She argues that the intersection between gambling and gaming cultures has a long lineage one that can be traced back throughout the 20th century but also incorporates more recent trends like the poker boom of the 1990s the development of social media gambling products and the development of skin betting markets Underpinned by changing technology which facilitated new ways to bet trade and play the intersection between gaming and gambling cultures and products has accelerated within the last decade and shows little signs of stopping Wardle explores what this means for our understanding of risk how gaming and gambling entities use each other for commercial advantage and crucially explores what young people think of this before making recommendations for action

My iPad for Seniors Michael Miller, 2017-12-05 Covers all iPads running iOS 11 My iPad for Seniors 5th Edition is a full color fully illustrated guide to using all of Apple's iPad models It includes everything from basic setup information to finding and installing new apps to using the iPad for communication entertainment and productivity The information presented in this book is targeted at users aged 50 and up whenever possible one best way for any given task is presented and instructions are simplified with older users in mind In addition much content specific for people 50 is included Step by step instructions with callouts to iPad
