## **Casino Poker Chip Display Case:**

**I Can Give You Anything But Love** Gary Indiana, 2024-07-09 A beloved memoir from one of the most acclaimed radical writers in American literature whose graphic funny and caustic voice has by turns haunted and influenced the literary and artistic establishments Indiana becomes the connective tissue that binds together a diaspora of subcultures the beatnik era experimental writing and happenings of downtown New York the 1960s co opted counterculture gone awry the punk movement that followed and the art and intellectual circles of the Reagan 80s when the AIDS crisis was wiping out a generation of young gay men like him Los Angeles Times With **I Can Give You Anything but Love** Gary Indiana has composed a literary unabashedly wicked and revealing montage of excursions into his life and work from his early days growing up gay in rural New Hampshire to his escape to Haight Ashbury in the post summer of love era the sweltering 1970s in Los Angeles and ultimately his existence in New York in the 1980s as a bona fide downtown personality Interspersed throughout his vivid recollections are present day chapters set against the louche culture and raw sexuality of Cuba where he lived and worked occasionally over the past decades Connoisseurs will recognize in this his most personal book the same mixture of humor and realism philosophy and immediacy that have long confused the definitions of genre applied to his writing Vivid atmospheric revealing and entertaining this is an engrossing read and a serious contribution to the genres of gay and literary memoir
