 Shearlock,Jan Irons,2012-09-14 No matter what anyone tells you boat cooking IS different from cooking ashore The space is
 smaller there s no grocery store 5 minutes away you have fewer prepared foods and electric appliances and food storage is
 much different Despite cruising different oceans we Jan and Carolyn both faced the same challenges eating well while having
 time to enjoy all the other great aspects of cruising We love to snorkel swim kayak explore and just sit and admire the view
 We learned with the cookbooks we both had aboard and wished for information that wasn t available like when Jan ended up
 with a frozen chicken complete with head and feet and no instructions on how to cut it up When we couldn t get foods such
 as sour cream English muffins spaghetti sauce or yogurt we adapted recipes to make our own Other times we experimented
 with substituting ingredients maybe the result wasn t identical but it was still tasty We ended up with over 150 substitutions
 and dozens of make it yourself options As we traded recipes and knowledge with each other we realized we were compiling
 information that became The Boat Galley Cookbook 800 recipes made from readily obtainable ingredients with hand utensils
 including numerous choices to suit every taste not just one cake but 20 16 ways to prepare fish 10 regional barbeque sauces
 and so on Step by step directions to give even non cooks the confidence they can turn out tasty meals without prepared foods

 well as lots of tips on how to do things more easily in a tiny moving kitchen All this in an easy to navigate format including
