China Entering The Xi Jinping Era China Policy Series:

China Entering the Xi Jinping Era Zheng Yongnian, Lance L. P. Gore, 2014-11-20 How will China develop under the new leadership of Xi Jinping and Li Keqiang This is a key question for both China and the wider world This book presents a comprehensive overview of the key areas and issues assessing how things are likely to develop under the new leadership It considers the economy trade politics and demographics appraises the leadership both at the national and provincial levels and discusses potential flashpoints in China's relationship with its neighbors and China's emerging role in world politics The book emphasizes the great uncertainties surrounding the next phase of China's development highlighting the structural problems of the economy the problems of urbanization and governance and the deep social cleavages which exist over issues such as income disparity rampant corruption and unequal opportunities in social mobility Against this backdrop it measures the emerging leadership of Xi Jinping to assess the prospects for China in the next decade and beyond Routledge

Handbook of Chinese and Eurasian International Relations Mher Sahakyan, 2024-07-26 The Routledge Handbook of Chinese and Eurasian International Relations explores China's relations with the Eurasian continent's regions and countries in a multipolar era providing an equal and balanced platform for scholars and practitioners from East West North and South This diversity enriches the contribution giving it a dynamic ability to examine sources in different languages and cover a vast geography Divided into ten parts this handbook analyses the major powers in a Multipolar World Order China's political and economic interests in post Soviet Eurasia Middle East Europe Asia Pacific and Arctic and China's relations with the US Russia Eurasian Economic Union NATO and other players International technology and environmental experts consider the impact of the Belt and Road Initiative along with other international economic and transport corridors and examine China's multilateral relations and Digital Silk Road and e governance roles The Routledge Handbook of Chinese and Eurasian International Relations also contains official documents detailing the establishment of diplomatic relations between China and several European and Asian states making it an authoritative source on diplomatic affairs This groundbreaking book will be of interest to policymakers businessmen scholars and students of international relations area studies cybersecurity and digitalization economics and the politics of international trade security studies foreign policy global governance international organizations and environmental studies

Chinese Politics as Fragmented Authoritarianism Kjeld Erik Brødsgaard, 2016-10-04 This book explores how far the concept of fragmented authoritarianism remains valid as the key concept for understanding how the Chinese political process works It contrasts fragmented authoritarianism which places bureaucratic bargaining at the centre of policy making arguing that the goals and interests of the implementing agencies have to be incorporated into a policy if implementation is to be secured with other characterisations of China's political process Individual chapters consider fragmented authoritarianism at work in a range of key policy areas including energy issues climate change and environmental management financial reform and civil military relations The book also explores

policy making at the national provincial city and local levels debates how far the model of fragmented authoritarianism is valid in its current form or whether modifications are needed and discusses whether the system of policy making and implementation is overcomplicated unwieldy and ineffective or whether it is constructive in enabling widespread consultation and scope for imagination flexibility and variation *China's Global Quest for Resources* Fengshi Wu, Hongzhou Zhang, 2016-11-18 The world's key resources of energy food and water which are closely connected and interdependent on each other are coming under increasing pressure as a result of increasing population development and climate change In the case of China following its recent economic surge energy food and water are already nearing the point of shortage This book considers how China is working to avoid shortages of energy food and water and the effect this is having internationally Subjects covered include domestic policy debates on China's resource strategies challenges for managing transboundary waters related to China responses from various regions and countries to China's Go Out strategy and China's increasing energy links with Russia and declining agricultural trade with the United States The book concludes by discussing in comparative perspective China's outward resource acquisition activities and the consequent policy implications *China's New Public Health Insurance* Armin Müller, 2016-11-25 Especially since the 2003 SARS crisis China's healthcare system has become a growing source of concern both for citizens and the Chinese government China's once praised public health services have deteriorated into a system driven by economic constraints in which poor people often fail to get access and middle income households risk to be dragged into poverty by the rising costs of care The New Rural Cooperative Medical System NRCMS was introduced to counter these tendencies and constitutes the main system of public health insurance in China today This book outlines the nature of the system traces the processes of its enactment and implementation and discusses its strengths and weaknesses It argues that the contested nature of the fields of health policy and social security has long been overlooked and reinterprets the NRCMS as a compromise between opposing political interests Furthermore it argues that structural institutional misfits facilitate fiscal imbalances and a culture of non compliance in local health policy which distort the outcomes of the implementation and limit the effectiveness of insurance These dynamics also raise fundamental questions regarding the effectiveness of other areas of the comprehensive New Health Reform which China has initiated to overhaul its healthcare system *China in the Xi Jinping Era* Steve Tsang, Honghua Men, 2016-07-30 This book examines the driving forces behind national level politics changes to the judiciary social control economic reform environmental protection urban development the management of ethnic relations as well as foreign and security policy orientation in China under Xi Jinping It explains Xi's ambition examines the limitations he has to confront and maps the direction of reform he pursues The book starts off by examining how the consultative Leninist nature of the political system continues to shape politics and policy in China under Xi and what the China dream Xi advocates actually entails domestically and beyond China It ends by highlighting the megatrends that will prevail in the decade when Xi is expected to stay in power

The book also includes contributions from five Central Party School professors whose views are taken seriously by the Chinese leadership

New Democracy and Autocratization in Asia Kuyoun Chung, Wonbin Cho, 2022-08-19 This book examines the quality of democracies in Asia and determines why current democracies especially during the so called new normal era following the 2008 financial crisis have become less stable and less resilient to increasing authoritarianism Based on the assumption that the concept of democracy consists of three elements procedure participation competition and distribution of power effectiveness representation accountability and responsiveness and performance social welfare inequality and trust the contributors to this book determine which elements are responsible for diverging trajectories within the Asian democratic recession Examining South Korea Japan Taiwan Singapore Vietnam Indonesia India Myanmar and China the authors employ different research methods quantitative comparative or individual case studies to explore the conditions under which democratic rules and norms erode over time and which type of governance is preferred by citizens in this region as an ideal type The book puts forward the argument that a procedure oriented concept of democracy is not sufficient for understanding the source of democratic recession and develops a new concept of new democracy based on procedure effectiveness and performance It also demonstrates to what extent the experience changes and how the countries respond to these changes A novel contribution on the state of democracy in Asia written by experts from the region this book will be of interest to academics in the field of political science especially comparative politics and international relations regional study of East and Southeast Asia sociology public policy economics and social science methods Also this book will appeal to think tanks and policy oriented researchers

A Research Agenda for Public Administration Andrew Massey, 2019 This book addresses salient current issues in public administration research It seeks to suggest where future research may or indeed ought to be focussed To advocate the future routes for the development of research this book is divided into themes with a clear overlap between different approaches The book has contributions that will assist students of public administration public sector management and public policy especially new PhD students but will also be a useful resource for more established researchers to understand the major emerging issues within the field

Chinese Politics and Foreign Policy under Xi Jinping Arthur S. Ding, Jagannath P. Panda, 2020-11-23 This book focuses on China's future under Xi Jinping's authoritarian leadership by examining various facets of the political economic social and foreign policy trajectories of contemporary China It assesses Xi Jinping's power dynamic as the core leader of the Communist Party of China CPC and analyses the impact of Xi's signature domestic policies which demonstrate his political authority within the domestic sphere Moreover the book presents Xi's pro active assertive and action oriented outlook as a foundation for China's diplomacy in the new era Bringing together an international set of experts in the field who explore critical facets of China under Xi Jinping that deeply influence the regional as well as the global order the book investigates the impact of Chinese initiatives such as the grand Belt and Road Initiative BRI the Asian Infrastructure Investment Bank AIIB and the BRICS New Development Bank

NDB Importantly the book illustrates US China relations and outlines how this relationship will intensify in the post COVID 19 era which is poised to be one of the biggest challenges and turning points of the Asian Century Offering a timely insight into China's future and the trajectory of Xi Jinping's consolidation of power this book will be of interest to academics in the fields of China Studies Asian and International Politics and International Relations **Naval War College Review**, 2017

Social Relations and Political Development in China Zhengxu Wang, Dragan Pavličević, 2020-10-29 As China enters its proclaimed New Era under President Xi Jinping this book examines changes and continuity in social relations and political development investigating new developments against the backdrop of continuations of long term trends and previous policies What has remained outside many scholarly discussions is a larger backdrop of continuity into which the policies of Xi Jinping's administration are inserted to further shape social economic and political trajectories in contemporary China Presented as a volume of methodologically diverse studies exploring some of the key aspects of social and political development in contemporary China its authors examine the structural factors that continue to exert influence on China's trajectory in the New Era as before at the deeper and subtler levels This is the first publication of its kind to focus on how continuity and change interplay under Xi it enables readers to appreciate both genuine novelties and the enduring long term trends as well as to estimate future trends in the proclaimed New Era and beyond **Social Relations and Political Development in China** will be of significant interest to students and scholars of Chinese studies political science and sociology **Xi Jinping on the Global Stage** Robert D. Blackwill, Kurt M. Campbell, 2016-02-01 In light of China's deepening economic slowdown China's foreign policy may well be driven increasingly by the risk of domestic political instability write Robert D Blackwill Henry A Kissinger senior fellow at the Council on Foreign Relations CFR and Kurt M Campbell the Asia Group's chairman and chief executive officer in a new Council Special Report Economic growth and nationalism have for decades been the two founts of legitimacy for the Communist Party and as the former wanes Chinese leader Xi Jinping will likely rely increasingly on the latter Xi's dominance of the decision making process has made him a powerful but potentially exposed leader the authors note To protect his position Xi will most probably stimulate and intensify Chinese nationalism long a pillar of the state's legitimacy to compensate for the political harm of a slower economy to distract the public to halt rivals who might use nationalist criticisms against him and to burnish his own image The report **Xi Jinping on the Global Stage Chinese Foreign Policy Under a Powerful but Exposed Leader** notes that China's economy which had expanded at an annual rate of 10 percent for three decades is entering a new era of considerably slower growth To strengthen his position at home Xi will probably intensify his personality cult crack down even harder on dissent and grow bolder in using the anticorruption campaign against elites who oppose him Internationally Xi may provoke disputes with neighbors use increasingly strident rhetoric in defense of China's national interests and take a tougher line in relations with the United States and its allies to shift public focus away from economic troubles To deal with Xi's more assertive foreign and defense policies the authors call for a new

American grand strategy for Asia that seeks to avoid a U S China confrontation and maintain U S primacy in Asia The authors both former senior government officials with extensive experience in the region recommend passing the Trans Pacific Partnership an Asia centered trade deal with countries that represent approximately 40 percent of the global economy lifting constraints on U S exports of oil to Asian allies and maintaining a commitment to deploy at least 60 percent of the U S Navy and Air Force in the Asia Pacific They identify the U S pivot or rebalance to Asia as the indispensable ingredient in a successful U S policy to participate and project strength more consequentially in the region and to deal with Chinese power and influence under Xi Jinping

Chinese Society In The Xi Jinping Era Litao Zhao,Dongtao Qi,2020-01-14 As China has become the world s second largest economy and risen rapidly amid various internal and external challenges its profound social transformation and changing social policies are seemingly receiving inadequate attention from both academic and policy communities especially in the Xi Jinping era since 2013 After decades of development new social values behaviours and organisations have emerged in China Social changes and unresolved social issues are demanding for policy attention and proper governance This book studies the important aspects of China s social transformation policy and governance in recent years including social stability maintenance education social media industrial de capacity and lay off campaign ethnic minority and ethnic policy elderly care poverty reduction and social governance It will enable readers to have a better understanding of China s most important and pressing social issues and relevant social policies

Chinese Politics in the Xi Jinping Era Cheng Li,2016-10-18 Chinese politics are at a crossroads as President Xi Jinping amasses personal power and tests the constraints of collective leadership In the years since he became general secretary of the Chinese Communist Party in 2012 Xi Jinping has surprised many people in China and around the world with his bold anti corruption campaign and his aggressive consolidation of power Given these new developments we must rethink how we analyze Chinese politics an urgent task as China now has more influence on the global economy and regional security than at any other time in modern history Chinese Politics in the Xi Jinping Era examines how the structure and dynamics of party leadership have evolved since the late 1990s and argues that inner party democracy the concept of collective leadership that emphasizes deal making based on accepted rules and norms may pave the way for greater transformation within China s political system Xi s legacy will largely depend on whether he encourages or obstructs this trend of political institutionalization in the governance of the world s most populous and increasingly pluralistic country Cheng Li also addresses the recruitment and composition of the political elite a central concern in Chinese politics China analysts will benefit from the meticulously detailed biographical information of the 376 members of the 18th Central Committee including tables and charts detailing their family background education occupation career patterns and mentor patron ties

China in the Era of Xi Jinping Robert S. Ross,Jo Inge Bekkevold,2016-05-12 Since becoming president of China and general secretary of the Chinese Communist Party Xi Jinping has emerged as China s most powerful and popular leader since Deng Xiaoping The breathtaking economic expansion and

military modernization that Xi inherited has convinced him that China can transform into a twenty first century superpower In this collection leading scholars from the United States Asia and Europe examine both the prospects for China s continuing rise and the emergent and unintended consequences posed by China s internal instability and international assertiveness Contributors examine domestic challenges surrounding slowed economic growth Xi s anti corruption campaign and government efforts to maintain social stability Essays on foreign policy range from the impact of nationalist pressures on international relations to China s heavy handed actions in the South China Sea that challenge regional stability and US China cooperation The result is a comprehensive analysis of current policy trends in Xi s China and the implications of these developments for his nation the United States and Asia Pacific

China in the Age of Xi Jinping Michael Dillon,2021 This book presents a concise introduction to China in the Xi Jinping era It is intended as a first book for those coming new to the subject providing the essential information that most people need to know without going into excessive detail Its coverage includes the economy society politics and international relations China s history especially the twentieth century and Taiwan and Hong Kong as well as the People s Republic of China It will also be useful for more advanced students who need to understand developments in China outside their own primary disciplines The book provides an up to date and clear guide to the changes which have taken place in China in the late twentieth and early twenty first centuries including the recent further changes which are taking place under Xi Jinping s regime It draws on the enormous body of empirical and theoretical research that is being carried out by economists political scientists and sociologists on China but is itself written in non technical and accessible language It does not assume any previous knowledge of China and explanations of Chinese terms are provided throughout the book It includes a map a chronology a glossary of Chinese terms biographical notes on key figures and a guide to further reading

The Xi Jinping Era James C. Hsiung,Hong Liu,Ying Chen,Xingwang Zhou,. Huoshen Tan,2015 China s development has entered a new phase since the era of Mao and Deng Xiaoping Its GDP has grown to more than 10 trillion US dollars twice that of Japan s and close to that of the United States and Chinese diplomacy has taken on a more active profile as the nation moves towards superpower status on the world stage At the same time all of this has resulted in serious ecological problems and as the economy develops social contradictions are growing more prominent within the country Xi Jinping who became General Secretary of the Chinese Communist Party in 2012 has developed a new philosophy of governance to confront these challenges The result is a 30 year plan that is the roadmap to The China Dream which has led to various programs such as the ongoing campaigns to address and eliminate corruption within the CCP and reform of the Military Market reforms and the Belt and Road Initiatives meant to improve domestic infrastructure and broaden Chinese economic influence on the world stage and the evolution of a new approach to foreign relations In addition to an analysis by leading Chinese thinkers of the elements of this plan and its implementation an overview of Xi s early career and the first two years of his leadership provide readers a look at his thinking and how it has developed and provides a

preview of what we might expect from China in the Xi Jinping Era **Chinese Politics in the Era of Xi Jinping** Willy Wo-Lap Lam, 2015-03-12 Renowned for his coverage of China's elite politics and leadership transitions veteran Sinologist Willy Lam has produced the first book length study in English of the rise of Xi Jinping General Secretary of the Chinese Communist Party CCP since November 2012 With rare insight Lam describes Xi's personal history and his fascination with quasi Maoist values the factional politics through which he ascended the configuration of power of the Fifth Generation leadership and the country's likely future directions under the charismatic princeling Despite an undistinguished career as a provincial administrator Xi has rapidly amassed more power than his predecessors He has overawed his rivals and shaken up the party state hierarchy by launching large scale anti corruption and rectification campaigns With a strong power base in the People's Liberation Army and a vision of China as an awakening lion Xi has been flexing China's military muscle in sovereignty rows with countries including Japan Vietnam and the Philippines while trying to undermine the influence of the United States in the Asia Pacific region While Xi is still fine tuning his art of governance his zero tolerance for dissent and his preoccupation with upholding the privileges of the red aristocracy and the CCP's status as perennial ruling party do not bode well for economic political or cultural reforms Lam takes a close look at Xi's ideological and political profile and considers how his conservative outlook might shape what the new strongman calls the Great Renaissance of the Chinese race

CHINA IN XI JINPING'S NEW ERA B.R. DEEPAK, 2024 China and Southeast Asia in the Xi Jinping Era Alvin Cheng-Hin Lim, Frank Cibulka, 2019 In 2012 the Communist Party of China CPC inaugurated the Xi Jinping era when it elected him to be the General Secretary of the CPC The following year Xi was elected President of the People's Republic of China The Xi Jinping era has seen a remarkable transformation of Chinese foreign policy which has been adjusted to facilitate the achievement of what Xi has proclaimed as the Great Rejuvenation of the Chinese Nation Xi's Belt and Road Initiative has become a major element of Chinese economic diplomacy while the Chinese military industrial complex under his leadership has strengthened China's extensive claims in the South China Sea with reclamation works and the installation of military facilities on its occupied islands This edited volume will focus on the countries of Southeast Asia and examine how their relations with China have been transformed in the Xi Jinping era

China Entering The Xi Jinping Era China Policy Series Introduction

In today's digital age, the availability of China Entering The Xi Jinping Era China Policy Series books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of China Entering The Xi Jinping Era China Policy Series books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of China Entering The Xi Jinping Era China Policy Series books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing China Entering The Xi Jinping Era China Policy Series versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, China Entering The Xi Jinping Era China Policy Series books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing China Entering The Xi Jinping Era China Policy Series books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for China Entering The Xi Jinping Era China Policy Series books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, China Entering The Xi Jinping Era China Policy Series books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of China Entering The Xi Jinping Era China Policy Series books and manuals for download and embark on your journey of knowledge?

FAQs About China Entering The Xi Jinping Era China Policy Series Books

1. Where can I buy China Entering The Xi Jinping Era China Policy Series books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
