Brugar,Kathryn L. Roberts,2025-04-01 Elementary teachers often with their students for most or all of the day have the opportunity to creatively integrate instruction across classes In this text we explore meaningful pedagogical cross over that goes beyond the surface level to build strong foundations and deep connections for teaching and learning in interdisciplinary ways **Civic Affairs** ,1960 **Civic/voter Education Instructional Manual for the Referendum on the Choice of a Political System** ,1999 **Civic Virtues** Richard Dagger,1997 Dagger argues for a republican liberalism that while celebrating the liberal heritage of autonomy and rights solidly places these within social relations and obligations which while ubiquitous are often obscured and forgotten **Civic Comment** ,1920 *Civic Weal* ,1915 **The Course of Study in Civics, Grades One to Six for the Public Schools of Philadelphia** Philadelphia (Pa.). Board of Public Education,1918 **The Case for Parental Choice** John E. Coons,2023-03-15 This work makes a richly humanitarian case for parental school choice seeking to advance social justice and respect the dignity of parents especially those on the margins For decades arguments in favor of school choice have largely been advanced on the basis of utility or outcome rather than social justice and human dignity The Case for Parental Choice God Family and Educational Liberty offers a compelling and humanitarian alternative This volume contains an edited collection of essays by John E Coons a visionary legal scholar and ardent supporter of what is perhaps best described as a social justice case for parental school choice Few have written more prodigiously or prophetically about the need to give parents particularly poor parents power over their children s schooling Coons has been an advocate of school choice for over sixty years and indeed remains one of the most articulate proponents of a case for school choice that promotes both low income parents and civic engagement as opposed to mere efficiency or achievement His is a distinctively Catholic voice that brings powerful normative arguments to debates that far too often get bogged down in disputes about cost savings and test scores The essays collected herein treat a wide variety of topics including the relationship between school choice and individual autonomy the implications of American educational policy for social justice equality and community the impact of public schooling on low income families and the religious implications of school choice Together these pieces make for a wide ranging and morally compelling case for parental choice in children s schooling *National Civic Review* ,1922 *Civic Catalyst* ,1999 **Civics for Houston** ,1928 **The Canadian Municipal Journal and Review of Civic Improvement** ,1922 *Civic News* Delos Franklin Wilcox,1906 **The Civic League Bulletin** Civic League of New Port, R.I.,1912 **The Civic League Bulletin of Newport, R.I.** ,1906 **The Year Book of the Civic League of St. Louis** Civic League of Saint Louis,1909 **Civic Administration** ,1971 **Biennial Report of the Superintendent of Public Instruction** Washington (State).
