students Use in large or small groups to help communicate God's truth in a way that connects with young teens and shows them what faith can look like in their everyday lives Choose will help students learn about temptation the Holy Spirit's power to help and what God desires from them Pray helps students understand and participate in meaningful prayer with the creator of the universe They'll find that not only does God listen he cares Stick shows students what God says about friendships and helps them find and be great friends Trust will help you teach your students who Jesus is and what it looks like to trust him on a deeper level With questions that meet the developmental and spiritual needs of early adolescents you'll find that your students engage in the Deeper studies and really grasp the lessons
