New Love Study Guide Frank B. Minirth,1993-02 *Choose Love* Stormie Omartian,2014-09-01 Stormie Omartian s bestselling books on the power of prayer have touched millions of lives Recent books have taken a closer look at the leading of the Holy Spirit and the call to be a prayer warrior for God Now Stormie takes a fresh look at another powerful aspect of knowing our Creator His amazing and great love for us We reflect God most clearly when we are motivated by the power of love in all we say and do But first we have to understand the depth of God s love for us and receive it Then we must learn how to effectively express our love for Him One of the many ways we can show our love to God is to deliberately choose to show love to others and in every situation says Stormie We can only accomplish this with the guidance and enablement of the Holy Spirit When we do that God blesses us and transforms our lives in ways we cannot even imagine And we will have a sense of God s pleasure toward us that is far more valuable than anything else we may desire This book is about making that sometimes difficult choice and the rewards that follow Transform your heart your relationships and your future as you press into God s love and let the power of His life and character move through you ... *Select Notes on the International Sunday School Lessons ...* ,1902 *Select Notes* Mary Abby Thaxter Peloubet,1896 *Wisdom From World Religions* John Marks Templeton,2008-01-01 Every religion acknowledges certain spiritual principles and records them in its sacred literature and traditions This book curates these ancient teachings and shows how they apply to modern life with the help of parables
