Gospel Riffs God Would Love To Hear for Piano/Keyboards Andrew D. Gordon, *Gospel Riffs God Would Love To Hear for Piano Keyboards* by Andrew Gordon is a compendium of 33 Contemporary Gospel riffs for piano and keyboard players to learn the art of Gospel stylings There are also arrangements of some traditional Gospel songs including Amazing Grace and When The Saints Go Marching In showing how to incorporate the riffs in the book into these well known Gospel songs Play in the styles of Ray Charles Dr John Billy Preston Leon Russell and Andre Crouch and see how Blues Jazz and other contemporary styles are associated with the Gospel sound Customer Comment About This Book Gospel Riffs God Would Love To Hear I love Gospel music and so far with Andrew Gordon s books I haven t been disappointed This book was no exception And even though I thought Andrew couldn t have gotten any better in his books he did The book finishes with two songs When The Saints Go Marching In and Amazing Grace that provide of understanding of how to create an arrangement from just chords and a melody using techniques from the books riffs Wow this music instruction at its best for a very very reasonable price Don t waste your money on anything else I bought this book a few months ago and it really does keep you learning I always want to learn the next song I would definately recommend this book to anyone who has played 5 years or more It might be a while until you can play some of the songs up to speed but it is well worth the work *Can't Nobody Do Me Like Jesus!* Robert L. Marovich,2015-03-15 In *A City Called Heaven* Robert M Marovich follows gospel music from early hymns and camp meetings through its growth into the sanctified soundtrack of the city s mainline black Protestant churches

Marovich mines print media ephemera and hours of interviews with artists ministers and historians as well as relatives and friends of gospel pioneers to recover forgotten singers musicians songwriters and industry leaders He also examines the entrepreneurial spirit that fueled gospel music s rise to popularity and granted social mobility to a number of its practitioners As Marovich shows the music expressed a yearning for freedom from earthly pains racial prejudice and life s hardships Yet it also helped give voice to a people and lift a nation A City Called Heaven celebrates a sound too mighty and too joyous for even church walls to hold

Same Old Song John Paul Meyers,2024-03-26 Popular music and its listeners are strongly associated with newness and youth Young people can stay up late dancing to the latest hits and use cutting edge technology for listening to and sharing fresh music Many young people incorporate their devotion to new artists and styles into their own developing personalities However if popular music is a genre meant for the youthful what are listeners to make of the widespread sampling of music from decades old R B tracks sold out anniversary tours by aging musicians retrospective box sets of vintage recordings museum exhibits and performances by current pop stars invoking music and images of the past In Same Old Song The Enduring Past in Popular Music John Paul Meyers argues that these phenomena are part of what he calls historical consciousness in popular music These deep relationships with the past are an important but underexamined aspect of how musicians and listeners engage with this key cultural form In chapters ranging across the landscape of twentieth and twenty first century music Meyers finds indications of historical consciousness at work in multiple genres Rock music canonizes its history in tribute performances and museums Jazz and pop musicians cover tunes from the Great American Songbook Hip hop and contemporary R B singers invoke Black popular music from the 1960s and 1970s Examining the work of influential artists like Ella Fitzgerald Bob Dylan Miles Davis Kanye West Prince D Angelo and Janelle Mon e Meyers argues that contemporary artists homage to the past is key for understanding how music lovers make meaning of popular music in the present
