## **Chris Oyakhilome When The God Visits You:**

When God Visits You Chris Oyakhilome, 2001 When God Visits You Chris Oyakhilome PhD., 2001-05-17 Does God actually visit When does He visit How do I prepare for His visitation What are the benefits of such visits In this dynamic volume Pastor Chris shares from the lives of Bible characters on how you can position yourself for a visitation from God and experience that change you ve so long desired **Healing from Heaven** Chris Oyakhilome PhD., 2012-03-01 Healing from Heaven is a chronicle of miracles from the healing ministry of Pastor Chris Oyakhilome In this third volume you ll read extraordinary testimonies of everyday people who put God's Word to work in their lives and experienced His supernatural intervention In it Pastor Chris also shares deep truths on faith and divine healing which are sure to strengthen and build your faith in God Through the life changing testimonies and thoughts shared in this book you d be awakened to the possibilities of faith and the realities of the power of the Holy Ghost Your faith will also be stirred to act on God's Word for your own miracle As you go through the pages of this book open your heart and let faith rise in you As the Lord Jesus did for those in this book and many others around the world who believe in Him for a miracle He would do for you because He is the same yesterday None of These Diseases Chris Oyakhilome,2001 Public Righteousness Abimbola A. Adelakun, 2023-05-25 Public Righteousness The Performative Ethics of Human Flourishing is driven by the idea that part of what manifests as a disorderly display of virtue in public culture is underlined by the desire to see a more righteous society and an expression of the will to enact such an ideal world into reality This book re structures the ferment of such public displays and fashions an ethic that overturns the ostentatious signals of self righteousness and the fierce contest of animating visions This book engages the work of social ethicist Nimi Wariboko to explore an idea of public righteousness In place of smug superiority and phony pieties the performative ethics that inaugurate this public righteousness offer an intellectual and moral competence that establishes rectitude and culminates in human flourishing Newswatch .2005 The News ,2006-11 **Tell** ,2004 Charisma and Christian Life ,2002 Cornelius And The Angel Chris Oyakhilome, 2014-11-13 What would you do if an angel visited you and told you a message from God I m sure you ll be guick to do what he said Well you re about to find out the story of a man whom an angel visited His name is Cornelius he was a Roman soldier Do you know what he did afterwards Come on you re about to find that out in this beautiful story There are also lots of fun activities you ll enjoy that ll help you learn new things from God s Word They Will Hear That God Has Visited You Tony Chime, 2020-07-08 YOUR STORY SHALL BE HEARD ALL OVER THE WORLD The interesting story of how Naomi heard that God had visited His people in Bethlehem with bread forms the bedrock of this book They had ran away because they couldn t withstand the pain and hardship of famine Just like some folks would run away from you because they felt you had nothing to offer any more But God knows how to turn the table He visited His people with abundance of food And things turned around for good The same people who had left started coming back after they heard that God has visited Then she arose with her

daughters in law that she might return from the country of Moab for she had heard in the country of Moab how that the LORD had visited his people in giving them bread Ruth 1 6 As you read on you will also learn the basic keys to bringing in divine visitation This is not just another book in your hand but a prophetic mandate A word from the Lord believe it and it shall be so in your life They will hear that God has visited you *The Divine Visitor* Jack Hayford, 2007-09-02 For a brief moment in history Jesus Christ stooped to earth and became a man He suffered for us experienced our pain felt our grief Now you can meet the Savior face to face with sensitive insights from Dr Jack Hayford about that holy visit In The Divine Visitor you will find a deeper understanding of Christ by studying His incarnation His suffering His wounds His blood and His death You ll learn to access the power of God for your life to help you triumph over sin and shame heal your broken heart and restore you to your vast worth in the eyes of Heaven The Night God Visited Me Linda Speede, 2024-07-19 God inhabits the praises of His people psalm 22 3 Capitalizing His Name on paper is one thing Capitalizing his name in your heart mind and soul is it all He said I will know them by their fruits Encounter Alan DiDio, 2019-09-01 Over time Christians often become complacent in their walk and witness Sound familiar You know the right answers There s no blatant sin holding you back And yet inside your soul there is a stirring a hunger for more If this is where you find yourself congratulations This is just the book you need Maybe you feel like Gideon did before he encountered God in a supernatural way Gideon like so many of us had settled into a life of just getting by of survival And yet God had so much more for him a life of adventure significance purpose and impact A life where the supernatural presence of God was to be expected and experienced This can be your experience too This book will give you a path to a walk with God that is beyond what you have ever experienced before This book is your key to more fire more faith more blessing more of God How to Find the Presence of God Dr. D. K. Olukoya, 2016-05-02 When you get so deeply involved in the things of God that God begins to talk to you and explain things to you giving you revelations that is His presence Unfortunately this type of experience is not common with a lot of people Some people stumble into it and are delighted about it but do not know how to get back there whereas God is closer to people than the air they breathe This is how to seek that presence Read on **The Wings of the Morning** John Barry Forsyth, 2021-05-05 How do we find faith in these troubling times Will God come to us to show us the way Our lives and our destiny are in the hands of God Jesus Christ calls out to us to follow him So it is that we are guided into the light of each day and given comfort in the evening hours We feel God's presence strongly at times that tears of joy quickly flow At other times we feel terribly unsure but even then we are held secure more than we realize God loves us and will not let us go This modest book has been a long time in coming Its formation spans a lifetime I have from my earliest days sensed a spiritual calling As long as I can remember I have known that God was with me I have required and been given many teachers along the way There has been so much to discover and learn Gratitude is a strong emotion in my recall of the times places and people which have shaped this book I am the author but they are the content You are embarking on a journey that will take you to certain

times and places where the presence of God was felt in remarkable ways Hopefully in the times recorded you will find reference points for your own experience and in the places visited you will remember places which you have loved places where you have been keenly aware of God's presence Those times of rendezvous with the Almighty we call revelation Those places of divine appointment we call Holy All in all it is the Spirit of Christ that surrounds us on our journeying with divine presence Thus it is that while our feet touch the dust of the earth our eyes behold openings in the heavens above John Barry Forsyth is a Presbyterian Minister He has served congregations in British Columbia Ontario Nova Scotia and Quebec Currently he is the minister of St Andrew's Sherbrooke Quebec John Barry has degrees in history education and theology At various times he has been a teacher counsellor triathlete and competitive swimmer **Encounter** Shawn Bolz,2022-01-04 One of the greatest spiritual battles right now is over perspective the way you see possibilities limitations and what God is doing This book will help you encounter God in such a way that you are able to walk in His original design for you which is to not only commune with Him through conversation but to be aligned with His mind When you share His thoughts and perceptions you will be able to live the abundant supernatural super empowered life God desires for you Humans are unique in that we were not just made in the image of God we reflect His very nature If we understood our spiritual neurological psychological and even physical connection to God we could bring solutions to every problem humanity faces and many would be practical even scientific solutions In this book Shawn Bolz shares a series of rich divine encounters that have defined his spiritual perspective so others can be released into new ways of thinking and experience an expansion of their spiritual intelligence To walk with God you need to know not only His heart but also His mind As believers we were designed to commune with God sharing not only conversation with Him but also His thoughts and perceptions to know His mind through His Spirit When Adam and Eve walked with God in the cool of the day they didn t always need the verbal communication that so limits humanity today They had inner communication from their connectedness This is the kind of connectedness Solomon Joseph Daniel Esther and the apostle Paul experienced and this is what God wants to restore to His people today This book will help readers gain a fresh vision of their faith so they can walk out their spirituality exactly as God intended and take their place in the coming move of God Come Quickly Elaine Hensley Ph.D. L.Ac., 2019-06-06 Turn off your phone and TV Find a quiet place and listen God is trying to speak to you Look for Him seek His face and listen If God were trying to speak to you right now what would He say Do you know how much I love you Do you trust Me Come to Me come back Come quickly and follow Me Do not look to the right or to the left Keep your eyes on Me I believe God in one way or another speaks to us daily if we learn how to communicate with Him You want to just dismiss it right I can hear you saying God only spoke to people in the Bible I don t believe God uses a burning bush or angel every time He wants to convey a message God is everywhere He can communicate in in any way and as often as He chooses However who says God spoke to them these days They are either lying or crazy Well I say to you okay have it your way and don t believe Then don t be

surprised when you dream about something totally odd one night and can t help but wonder if it was just a dream or a message from God trying to talk to you If he can t get your attention one way He will get it another Do yourself a favor and pay attention the first time Why is He speaking to us **Come Unto Me** James P. Gills,2012-08-17 Have you ever been stranded in a spiritual wilderness without compass comfort or companion Do you remember feeling frustrated Angry Maybe you re there now If so take heart Deserts have a unique way of making each oasis with God that much more inviting Inspired by his personal trek through the Sinai wilderness Dr Jim Gills came home convinced that even desert experiences hold an important place along the journey of life Gathering from the timeless story of the ancient Israelites Jim related biblical insights and offers practical applications to encourage the weariest pilgrim From the mountain and across the land God s call has sounded He s still calling a people unto Him self Don t miss out Be sure to make room for Come Unto Me in your backpack **Do You Feel The Presence Living In The Spirit.** Stephanie Deleon,2018-08-24 My book Do you feel God s presences living in the spirit we all need to take the time to meditate with Jesus Christ through prayer and bible scriptures
