Even the most powerful tool will not allow you to succeed unless you can get the majority of your staff to use it efficiently and effectively. You need a guide that demonstrates a platform that small to medium sized businesses can use to reach these goals. Office and SharePoint 2010 User's Guide demystifies the path that every Microsoft Office user can follow to benefit from the synergism of tools they are already familiar with. Together with SharePoint 2010 users can achieve goals like web sites with a consistent single view, improved collaboration within their organization and better document management and may even get one step closer to the paperless office we've been promised for years. This book has topics for Office users of all skill levels from those just starting to use Office tools to experienced power users. It examines each major Office tool and shows how it contributes to the support and use of SharePoint in today's increasingly electronic based office environment. **MS-DOS**

Entrepreneur magazine, 2013-04-11 Cash in One Load at a Time The problem with most high profit businesses is that you spend so much time on the job that you have little free time to enjoy the fruits of your labor. But coin operated laundries are different. They're low maintenance, recession proof and you can make as much as 200,000 a year working only part time hours. But you have to know what you're doing. And with our guide you will. You'll get an in depth overview of the industry where it's been and where it's likely to go and learn everything you need to know before launching your own self serve laundry business including New ideas for marketing your laundry. An expanded section on hiring and training attendants. Updated information on card systems. Recent advances in laundry equipment. The latest on laws and regulations concerning laundries. More ways to combine a laundry with other businesses. You'll also get first hand advice from successful coin op laundry owners on how to create an inviting atmosphere that will draw customers in and keep them coming back. Clean clothes are a necessity not a luxury. People are going to use laundromats no matter how the stock market is performing. So if you're looking for an easy to run business that will keep the cash flowing no matter how the rest of the economy is doing you've found it.
