

Why Invest in Index Funds?

Investing in index funds might not seem all that exciting, but that's the point. It gives you broad exposure to a market/asset that will help ensure your wealth grows over time.

Key point: Investing in index funds gives you the benefits of investment returns of the stock or other market without taking on the individual company risk and having to pay trading commissions related to individual stocks.

The Unofficial Guide to Investing Lynn O'Shaughnessy, 1998-12-16. With the recent fluctuations in the market, people are becoming more aware of the need to become financially savvy. Yet financial fears still abound: fear of the market crashing, fear of making poor investment choices, fear of not being able to send their kids to college. *The Unofficial Guide to Investing* demystifies the range of investment options available today and provides practical tools that will help readers make financially sound decisions. For the financial bystander who is timid about investing and confused by the buzzwords, this book explains where to begin, how to start researching without feeling awkward, how to find your comfort zone, how to invest online, how to plan for retirement, and how to avoid getting burned. It goes beyond just comparing mutual funds to relieving the anxiety surrounding the issue of investing.

A Practical Guide to Hedge Funds Renata Neufeld, 2004-08. Hedge fund investing is growing at a faster rate than any other kind of investing. While once only available to the rich and super rich, hedge funds are now becoming more widely available. There are between 6,000 and 7,000 hedge funds worldwide with assets of approximately \$650 billion. Industry predictions are that assets will exceed \$1 trillion in the next 5 to 10 years as individual investors and pension plans seek to diversify their holdings. *A Practical Guide to Hedge Funds* will give you a basic understanding of what hedge funds are, how they work, how they compare to mutual funds and traditional investments, and what the results will likely be if you invest in them. This is one of the few books where you will read interviews with hedge fund investors and their investment experiences. If you're tired of depending on the traditional equity markets for your portfolio returns, *A Practical Guide to Hedge Funds* will help you discover what investing in hedge funds can do for you.
